P.O. BOX 02413
CLEVELAND, OHIO 44102

TO WHOM IT MAY CONCERN:

Narcotics Anonymous is a real and existing alternative to the active disease of addiction. We are a fellowship of recovering addicts who meet regularly to help each other stay clean and free from drugs. We offer a means of recovery to those who wish to stop using. There is no charge, no fee, or not dues. We are not affiliated with hospitals, drug recovery houses, law enforcement or any other agencies but our members may suggest referrals in emergencies.

We are trying to let the public know about our fellowship and would be grateful for your use of the enclosed meeting schedule and pamphlet to refer people who feel they may be in need of our services. Other literature is also available at our cost upon request.

We are sincerely grateful for any consideration you may give us.
