

Purpose of D. A. Group.

Since it has been known that within the Fellowship of F. F. there are many recovered narcotic addicts who found the 12 steps of F. F. as a road to recovery & since ~~the~~ this society is dedicated to the recovery of the alcohol addict & to concentrate on this addiction and since identification, at first, with people who have recovered from a similar addiction is of prime importance, we as a group are dedicated to carry the message of recovery to the narcotic addict in particular, this is our principle aim.

Since our groups are small as yet & young it has necessarily meant that many alcoholics & some with the double or triple addiction have been the ~~members~~ active members of these groups up to this time, we hope that as we grow to maturity in our own society & Fellowship to see the addicts themselves as a great & growing force in carrying the message of hope & recovery to countless others & to take their rightful place in their own fellowships.

NARCOTICS ANONYMOUS

OUR PURPOSE

This is an informal group of drug addicts, banded together to help one another renew their strength in remaining free of drug addiction.

Our precepts are patterned after those of Alcoholics Anonymous, to which all credit is given and precedence is acknowledged. We claim no originality but since we believe that the causes of alcoholism and addiction are basically the same we wish to apply to our lives the truths and principles which have benefited so many otherwise helpless individuals. We believe that by so doing we may regain and maintain our health and sanity.

It shall be the purpose of this group to endeavor to foster a means of rehabilitation for the addict, and to carry a message of hope for the future to those who have become enslaved by the use of habit forming drugs.
