TRADITION TWELVE : "Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities."

Anonymity means that who we are is not important. Only why we are here, learning how to stay clean without the use of a mind or mood altering substance. This tradition teaches us, that by working together for our common welfare, we achieve the true spirit of anonymity. It also teaches us to put aside our differences, not let our defects of character be in control and render our personalities powerless, help each other stay clean and learn a new way of life. This tradition tells us to maintain a haven for the addicts, who has a desire to stop using and wants to learn a new way of life, while being a vision of hope for them.

Rootman : This is a report on the analysis for the substance that we refer to as ROOTMAN. It seems that many people in recovery are drinking this with the assumption that it is all natural. The below analysis shows that it indeed contains Ethanol(alcohol), also it was questioned how this substance (ROOTMAN) could be sold over the counter, the answer is simple it is considered a home brew and that is why the label doesn't contain anything more than the name. This ROOTMAN has as much alcohol as a glass of wine. Is it not a silent trigger that we are willingly pulling. I know that I am responsible for my own recovery but it is about one addict helping another, then we must stop using-using means others, ROOTMAN, aphrodisiacs, sex, near beer and other negative things that jeopardize our recovery. This ROOTMAN is a mind altering substance that is being sold to make money at the expense of our recovery and it has to stop. Let's bring it to the attention of the buyers and sellers that they are selling silent triggers. This report speaks for itself that we have to stop using by any means necessary.

VOLUME 2 - ISSUE 10

Editorial

Hello Family,

This is our first issue of the Riverfront Area Cleansheet. It has taken sometime, but through God's grace it is here.

We are hoping that everyone get involved, so we can make it a success. We are asking for anyone who has something to share with others, like a poem, special event or anniversary (group and/or individual) and sent it in to the Cleansheet Committee or give it to your GSR.

Also, we are looking for a few good addicts, who are willing to serve, to get and keep the cleansheet rolling. No experience necessary. Please get in touch. We are looking forward to making it something to be proud of and it can be with your help.

Love and Respect,
Edie J.
Cleansheet Chairperson
