A,S.R REPORT

The Unity day was held in June, we received the results for the W.S.C agenda motions. Here are some points of interest:

"When an adoption or revision is made to any approved literature, that literature becomes unapproved and must be off our tables within 6 months of the approval of the adoption or revision."

A new adhoc committee has been formed to work on "It Works How & Why"; both the white & blue version are combined.

We also need to express the importance of our 7th tradition, & how far it really has to go.

Next regional meeting is on July 25th 12 noon, at summerdale & pratt.
