Report for area service (Unity)

The support for Unity Committee has decreased in the last month. At this time we have 2 voting members. A date for the ski trip has been set for March 18. Flyers will be distributed as soon as possible. We need Bucks County's support if we want the ski trip. Tentatively, if we have the support of 30 people the cost will be \$30.00 per person. If we have the support of less than 30 people the cost will be a little over 50 dollars. These prices include ski rentals and ski lifts. Unity committee will continue to carry out the functions approved by the groups. Please tell us what function

is top priority. Unity committee asks the groups to remember that when we vote to have a function we are voting to support that function.

The next policy sub-comm. -workshop will meet MAR. 22nd. (a WED.) @7 PM. All are invited and encouraged to attend. Contact myself at 785-1152 anytime and leave a message, and I will call and give directions. I will also be calling those who have attended before and those who expressed interest in the workshop.

I have been in contact with the former policy chair and we have made plans to meet Monday, so I can get the AREA minutes from the last two years. This is very important because we cannot tell what has gone before-what has become policy for our area! This comm. job is to extract the policy motions from those minutes. Which in itself is a big job aside from writing area guidelines.

I have also been in contact with the policy chair from the Little Apple Area. We are exchanging written information and ideas by letters and phone. Hopefully in the near future we will be able to attend one another's meetings to have personal contact.

The Little Apple Area policy comm. is doing the same work as the Bucks Area regarding policy guidelines. We hope we can help each other along as we go. As policy Chair for the area I want to express the importance of GSR'S and ALT'S and anyone interested to attend a workshop. I need help with this Comm.! I need help with the work load and meetings because alone I cannot do it all! We need each other to guide us in the proper manner.

Meeting is at Mar. 22nd
3000 Ford Rd. # H20 7pm

Bristol, PA
