

This is from George R. on April 21, 2014:

Jeff that was started at my old house where Pete B, Al R, and myself lived.

Ivyland, Pa

The 7th WLCNA was held there. Pete was the driving force behind the Freedom Connection. He also started the Bucks County Clean Sheet. All 3 of us met at the East Coast Convention last year in Chestertown for the 1st time in 30 years. All 3 of us are still clean. I have the 1st one here. It has a ton of history in it. It was Pete's passion that got it done!
