

A Time To Come Together

Greater Philadelphia
Regional Convention
April 13,14,15

THE TWELVE STEPS

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory, and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us, and the power to carry that out.
12. Having had a spiritual awakening as a result of those steps, we tried to carry this message to addicts and to practice these principles in all our affairs.

NAR ANON

If I am willing to stand aside and let
God's will be done, I free myself from
personal anxiety and a mistaken sense
of responsibility.

We keep what we have only with vigilance and just as freedom for the individual comes from the Twelve Steps so freedom for the groups springs from our traditions.

As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first; personal recover depends on N. A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our Group conscience, our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is the desire to stop using.
4. Each Group should be autonomous, except in matters affecting other Groups, or N.A., as a whole.
5. Each Group has but one primary purpose — to carry the message to the addict who still suffers.
6. An N. A. Group ought never endorse, finance, or lend the N. A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every N. A. Group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever non-professional, but our Service Centers may employ special workers.
9. N. A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. N. A. has no opinion on outside issues; hence the N. A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

The Serenity Prayer

God grant me the
Serenity to accept the things
I cannot change;

Courage to change the things I
can; and
Wisdom to know the difference.

Living one day at a time;
enjoying one moment at a time;
Accepting hardship
as the pathway to peace;

Taking, as He did, this sinful
world as it is, not as I would
have it;

Trusting that He will make all
things right if I surrender
to His Will;

That I may be reasonably happy
in this life, and supremely
happy with Him forever in
the next. Amen.

A TIME TO COME TOGETHER

PHILA, PA.

*"That no addict seeking recovery
need ever die!"*

WHO IS AN ADDICT?

Most of us do not have to think twice about this question. WE KNOW! Our whole life and thinking is centered in drugs in one form or another, the getting and using and finding ways and means to get more. We use to live and live to use. Very simply an addict is a man or woman whose life is controlled by drugs. We are people in the grip of a continuing and progressive illness whose ends are always the same: jails, institutions and death.

WHAT IS THE N.A. PROGRAM?

N.A. is a non-profit fellowship or society of men and women for whom drugs had become a major problem. We are recovered addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only "One" requirement for membership, the honest desire to stop using. There are no mists in N.A., but we suggest that you keep an open mind and give yourself a break. Our program is a set of principles, written so simply that we can follow them in our daily lives. The most important thing about them is that "They Work."

There are no strings attached to N.A. We are not affiliated with any other organizations, we have no leaders, no initiation fees or dues, no pledges to sign, no promises to make to anyone. We are not connected with any political, religious, or law enforcement groups, and are under no surveillance at any time. Anyone may join us regardless of age, race, color, creed, religion or lack of religion.

We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting, because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.

HOW IT WORKS

If you want what we have to offer, and are willing to make the effort to get it, then you are ready to take certain steps. These are suggested only, but they are the principles that made our recovery possible.

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory, and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us, and the power to carry that out.
12. Having had a spiritual awakening as a result of those steps, we tried to carry this message to addicts and to practice these principles in all our affairs.

This sounds like a big order, and we can't do it all at once, we didn't become addicted in one day, so remember — **EASY DOES IT.**

JUST FOR TODAY

Tell yourself:

JUST FOR TODAY my thoughts will be on my recovery, living and enjoying life without the use of drugs.

JUST FOR TODAY I will have faith in someone in NA who believes in me and wants to help me in my recovery.

JUST FOR TODAY I will have a program. I will try to follow it to the best of my ability.

JUST FOR TODAY through NA I will try to get a better perspective on my life.

JUST FOR TODAY I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.

— THE SERENITY PRAYER —

*God, grant me the serenity
To accept the things I cannot change;
Courage to change the things I can;
And wisdom to know the difference.*

Mr. Clifford Brenner
Vice President Corporate Communications
The Philadelphia Electric Company
2300 Market Street
Philadelphia, PA 19103

Dear Mr. Brenner,

A few weeks ago I had contacted your office regarding having your company display the words "WELCOME NA" atop the Philadelphia Electric Company building. The idea had come to us when a member of Narcotics Anonymous had read an article about this service. I am a representative of Narcotics Anonymous and chairman of the convention being held April 13th, 14th and 15th at the Hershey Hotel, Broad and Locust Streets, Philadelphia.

Narcotics Anonymous is a non-profit fellowship of men and women for whom drugs have become a major problem. We are not political or religious nor do we endorse any other organization. Our primary purpose is just that the therapeutic value of one addict helping another is without parallel. We have only one requirement for membership, which is the desire to stop using drugs. Our recovery is based on the "Twelve Steps", which were founded by Alcoholics Anonymous.

We have been functioning as a fellowship since 1970 in the Philadelphia area, at which time there were approximately four meetings per week. In 1978 we grew to have twenty-five meetings a week. To date, the greater Philadelphia region has approximately 80 meetings a week. They consist of groups in Bucks, Montgomery, Delaware Counties, Center City Philadelphia, Northeast Philadelphia and South Jersey. It is not our intention to advertise the program of Narcotics Anonymous, since this is a program of attraction rather than promotion. Our hopes in having the words "WELCOME NA" atop the Philadelphia Electric Building is serving as a public information function. Our utmost responsibility is that we carry the message to the still suffering addict. Being a resident of Center City Philadelphia, I have found that your displays have given me awareness of certain information. In that sense, it would be our hope that an addict, or ones relative or friend would be aroused and curious to find out exactly what NA is.

Enclosed in this letter you will find one of our public information packages from Montgomery County which should give you better insight to what Narcotics Anonymous is about. The dates we are requesting are Friday April 13th and/or Saturday April 14th to go in conjunction with our convention at the Hersey Hotel.

Thank-you for your time and consideration. Please feel free to contact me with any questions. My telephone number is (215) 765-5760 or you can write our post office box which is: GPRC-NA, P. O. Box 42629, Philadelphia, PA 19101-2629.

Your truly,
