"WAKE UP"

...**JUST FOR TODAY**...

Tell Yourself

Just For Today, my thoughts will be on my recovery, living and enjoying my life without the use of drugs.

Just For Today, I will have faith in someone in N.A. who believes in me and wants to help me in my recovery.

Just For Today, I will have a program. I will try to follow it to the best of my ability.

Just For Today, through N.A. I will try to get a better perspective on my life.

Just For Today, I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.

...**TWELVE STEPS**...

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God *as we*

understood Him, praying only for knowledge of His will for us and the power to carry that out.

12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

...TWELVE TRADITIONS...

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose—to carry the message to the addict who still suffers.
6. An NA Group ought never endorse, finance, or lend the NA Name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every NA Group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may

create service boards or committees directly responsible to those they serve.

10. Narcotics Anonymous has no opinion on outside issues; hence the NA Name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

Welcome

WE, would like to Welcome You to the **12th Greater Philadelphia Regional Convention of Narcotics Anonymous**. This year our theme is:

THE WAR IS OVER!

It comes from a personal story in our basic text. * It talks about one addict's surrender to the program of Narcotics Anonymous and how the program and God changed his life completely. We would like you all to know that surrender truly does change lives. If you for any reason, don't see evidence in your own life, look at the people around you at this convention. Join us in this celebration of **Unity and Recovery**, and know as the last line of the story tells us...

TODAY, THE WAR IS OVER!

-The G.P.R.C.N.A. XII Committee

Why We Ask You To Register

Registration is important because the money that is collected from registration is used to pay for all convention related expenses.

We believe once participants understand that the fees from registration make the event possible and the funds collected are used to plan present and future conventions, the reasons for registering should be clear. It is the support of each participants' registration or donation that helps make our convention a success.

Badges Must Be Worn At All Times

Anonymity Statement

N.A.'s 11th Tradition reads: "Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films."

We ask that everyone attending this convention respect our members' anonymity by not using full face photographs, last names, or personal details when describing this convention to others.

Responsibility Disclaimer

It is our responsibility to inform you that the hotel is equipped with surveillance cameras. Their only purpose is for the hotels internal security. For this reason, and because we wish to come back to this hotel next year, we are asking you to maintain an atmosphere of recovery at all times.

Parents and guardians, **Please** be mindful of your children and don't allow them to roam throughout the hotel alone.

We are not responsible for our disease, but we are responsible for our recovery.

Please be responsible for your conduct and maintain courtesy when dealing with other members of the fellowship and the hotel staff.

Thank You

Suggestions

In order to make this a memorable occasion, we suggest the following:

1. Reach out and hug each other.
2. Allow the flow of recovery to come into you. Go with the flow, and become a vital part of this fellowship event.
3. Reach out to as many friends in recovery as possible, especially the ones you haven't met yet. Get their names, addresses, and phone numbers and use them when you get home.
4. Make an effort to get to a service workshop and learn about the spiritual principles in service work.
5. Carry the message to the addict who still suffers.

Clarity Statement

In Narcotics Anonymous; we are presented with a dilemma. When N.A. members identify themselves as "addicts and alcoholics", "cross-addicted", or talk about living "clean and sober", the clarity of the N.A. message is blurred.

To speak in this manner suggests that there are two diseases; that one drug is separate from the rest. Narcotics Anonymous makes no distinction between drugs. Our identification as addicts is all-inclusive, allowing us to concentrate on similarities, not differences.

This statement is offered in the spirit of N.A. unity. Please remember this request is not made in order to rule, censor, or dictate behavior. We make this request to help provide an atmosphere of recovery, where we can hear the simple, unconfusing, and life-saving messages of Narcotics Anonymous.

...TWELVE CONCEPTS...

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.

8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.
