Simplicity Is The Key To Freedom

April 21-23, 2000
Philadelphia, Pennsylvania

Just For Today

Just for today, my thoughts will be on my recovery, living and enjoying life without the use of drugs.

Just for today, I will have faith in someone in N.A. who believes in me and wants to help me in my recovery.

Just for today, through N.A., I will try to get a better perspective on my life.

Just for today, I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.

Welcome

We would like to welcome you to the GREATER PHILADELPHIA REGIONAL CONVENTION OF NARCOTICS ANONYMOUS XV. This year our theme is:

“SIMPLICITY IS THE KEY TO FREEDOM”

The BASIC TEXT tells us that “Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.”

The Program of Narcotics Anonymous provides an opportunity for us to ease the pain of living through spiritual principles. We learn these principles through the 12 STEPS; Freedom is in the STEPS.

Join us in celebrating "Simplicity is the Key to Freedom."

Why We Ask You To Register

Registration is important because the money that is collected from registration is used to pay for all convention related expenses.

We believe once participants understand that the fees from registration make the event possible and the funds collected are used to plan present and future conventions, the reasons for registering should be clear. It is the support of each participants' registration or donation that helps make our convention a success.

Clarity Statement

In Narcotics Anonymous; we are presented with a dilemma. When N.A. members identify themselves as "addicts and alcoholics", "cross-addicted", or talk about living "clean and sober", the clarity of the N.A. message is blurred. To speak in this manner suggests that there are two diseases; that one drug is separate from the rest. Narcotics Anonymous makes no distinction between drugs. Our identification as addicts is all-inclusive, allowing us to concentrate on similarities, not differences.

This statement is offered in the spirit of N.A. unity. Please remember this request is not made in order to rule, censor, or dictate behavior. We make this request to help provide an atmosphere of recovery, where we can hear the simple, unconfusing, and lifesaving message of Narcotics Anonymous.

Suggestions...

In order to make this a memorable occasion, we suggest the following:

- ◆ Reach out and hug each other.
- ◆ Allow the flow of recovery to come into you. Go with the flow and become a vital part of this fellowship event.
- ◆ Reach out to as many friends in recovery as possible, especially the ones you haven't met yet. Get their names, addresses, and phone numbers and use them when you get home.
- ◆ Make an effort to get to a service workshop and learn about the spiritual principles in service work.
- ◆ Carry the message to the addict who still suffers.

The Twelve Steps

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to god, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people where ever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong, promptly admitted it.
11. We sought, through prayer and meditation, to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

The Twelve Traditions

1. Our common welfare should come first, personal recovery depends on N.A. unity.
2. For our group purpose there is but one ultimate authority - a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. We made a searching and fearless moral inventory of ourselves.
5. Each group has but one primary purpose - to carry the message to the addict who still suffers.
6. An N.A. group out never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every N.A. group out to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. N.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain person anonymity at the level of press, radio and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

PLEASE WEAR REGISTRATION BADGE AT ALL TIMES

The Twelve Concepts

1. To fulfill our fellowship's primary purpose, the N.A. groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of N.A. as a whole.
2. The final responsibility and authority for N.A. services rests with the N.A. group.
3. The N.A. groups delegate to the service structure, the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for the body's decisions and should be allowed to fully participate in the decision making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. N.A. funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.
