## THE TWELVE STEPS

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God, as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong, promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

## WELCOME

We would like to welcome you to the  
19th Greater Philadelphia Regional Convention  
of Narcotics Anonymous

*Our theme: "CELEBRATE THE JOURNEY"*

In building support, a home group is suggested... a sponsor is a must;  
Someone to guide us through this journey, someone that we trust.

"Surrender to win", is the principle within Step One, for it is what they say;  
Honesty, open-mindedness and willingness, with these three we are well on our way.  
And now we need hope, as the freedom we seek we won't find sitting back on our shelves,  
We'll find it in the process of coming to believe in a Power far greater than ourselves.  
As we make a decision to exercise faith, and be cared for by the God we understand,  
We pray: "Take my will and my life, guide me in my recovery. Maybe, even hold my hand!"  
Step Four is the act of us looking back at who we are, and all we've been through,  
A new level of honesty to practice in looking at self, this is all we must do.

We admitted to God, to ourselves and to another human being;

It's a freedom, that until now we could not imagine seeing!

Open-mindedness at this level will expose the exact nature of our wrongs.

Anger, resentment, and fear are the tune, rhythm and lyrics to most of these songs.

Through the pain of remaining the same, we're entirely ready to have these defects removed,

It hurts with a passion, 'cause we're no longer stashin' our feelings, or getting them soothed.

Humility is dealt, as every blow is felt when we try to remove what only He can!

So we ask Him, and trust that He will, and because we have asked so sincerely, we believe!

On top of all of this, now we make a list of all the people that we've caused harm,

With the fourth step in hand, we follow the plan like Old McDonald tending his farm.

With an emotional harm here, and a mental harm there, here a name there a name,

every where we're to blame a name.

As we reach step nine, that's where we draw the line to see of what we're really made,

Making direct amends to relatives, strangers, and friends as we travel the path already laid.

Now here we go again, another inventory in Ten, this one daily, as the stage is now set;

To correct as we go, our courage will show as we get more than just our feet wet.

Shhh,

Through prayer and meditation, and total dedication to seek, to improve and be still,

With power and grace, and at His own pace revealing His love, and maybe His will.

And now we're equipped to start our new trip, through expression in how we now live,

It's no secret you see, that the I became we, and to keep what we have we must give!

Freely, join us... "Celebrate The Journey."

### **DISCLAIMER & RESPONSIBILITY STATEMENT**

#### **N.A.'S 11th Tradition Reads:**

"OUR PUBLIC RELATIONS POLICY IS BASED ON ATTRACTION RATHER THAN PROMOTION; WE NEED ALWAYS MAINTAIN PERSONAL ANONYMITY AT THE LEVEL OF PRESS, RADIO, AND FILMS." We ask that everyone attending this convention respect our members' anonymity by not using full face photographs, last names, or personal details when describing this convention to others.

It is our responsibility to inform you that the hotel has its own security force. Their only purpose is for the hotel's internal security. For this reason, and because we wish to come back again, we are asking that you maintain an atmosphere of recovery at all times. Parents and guardians, please be mindful of your children and do not let them roam throughout the hotel alone.

***WE ARE NOT RESPONSIBLE FOR OUR DISEASE, BUT  
WE ARE RESPONSIBLE FOR OUR RECOVERY!***

Please be responsible in your conduct and maintain courtesy when dealing with other members of the fellowship and the hotel staff.

***Thank You,  
THE GPRCNA XIX CONVENTION COMMITTEE***

## GPRCNA XIX

### **CLARITY STATEMENT**

**In Narcotics Anonymous we are faced with a dilemma:**

When an N.A. Member identifies himself as "An Addict and Alcoholic," "Cross Addicted," or speaks in terms of living "Clean and Sober," the clarity of the N.A. Message is blurred. To speak in this manner suggests that there are two diseases; that one drug is separate from the rest. Narcotics Anonymous makes no distinction between drugs. Our identification as addicts is all inclusive, allowing us to concentrate on similarities, not differences.

This statement is offered in the spirit of N.A. Unity. Please remember that this request is not made in order to rule, censor, or dictate behavior. We make this request to help provide an atmosphere of recovery, where we can hear the simple, unconfusing and lifesaving message of Narcotics Anonymous.

#### **WHY WE ASK YOU TO REGISTER**

Registration is important because the money that is collected from registration is used to pay for all convention related expenses.

We believe that once participants understand that the fees from registration make the event possible and that the funds collected are used to plan present and future conventions, the reasons for registration should be clear. It is the support of each participant's registration or donation that helps make our convention a success.

**JUST FOR TODAY**  
**JUST FOR TODAY**  
**JUST FOR TODAY**  
**JUST FOR TODAY**

*Tell Yourself:*

**Just for today** my thoughts will be on my recovery, living and enjoying life without the use of drugs.

**Just for today** I will have faith in someone who believes in me and wants to help me in my recovery.

**Just for today** I will have a program. I will try to follow it to the best of my ability.

**Just for today** through N.A. I will try to get a better perspective on my life.

**Just for today** I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.

## NOTES

REGISTRATION BADGES ARE REQUIRED AT ALL EVENTS

## THE TWELVE CONCEPTS

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA group.
3. The NA groups delegate to the service structure, the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for the body's decisions and should be allowed to fully participate in the decision making process.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision making process.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

REGISTRATION BADGES ARE REQUIRED AT ALL EVENTS

## THE TWELVE TRADITIONS

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority - a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose - to carry the message to the addict that still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

# SUGGESTIONS

*In order to make this a memorable occasion, we suggest the following:*

- Reach out and hug each other.
- Allow the flow of recovery to come into you. Go with the flow and become a vital part of this fellowship event.
- Reach out to as many friends in recovery as possible, especially the ones you haven't met yet. Get their names, addresses, and phone numbers and use them when you get home.
- Make an effort to get to a service workshop and learn about the spiritual principles in service work.
- Carry the message to the addict who still suffers.
