To Whom It May Concern:

In an effort to maintain a helping relationship within our community, and while keeping within our traditions, we wish to inform the public, briefly, of the fellowship of Narcotics Anonymous.

N.A. is a non-profit organization whose primary purpose is to help the addict who still suffers. We are recovering addicts who meet regularly to help each other stay clean. It is a program of complete abstinence from all drugs. The only requirement for membership is a desire to stop using.

We've found that the therapeutic value of one addict helping another is without parallel.

With this in mind, we wish only that you remain open minded. If you know of someone who might benefit through our fellowship, please call (215) 276-2703, or write:

WHAT IS THE NARCOTICS ANONYMOUS PROGRAM?

N.A. is a non-profit fellowship or society of men and women for whom drugs had become a major problem. We are recovered addicts who meet regularly to help each other to stay clean. This is a program of complete abstinence from all drugs. There is only "One" requirement for membership, the honest desire to stop using. There are no musts in N.A. but we suggest that you keep an open mind and give yourself a break. Our program is a set of principles, written so simply, lives. The most important thing about them is that "They Work".

WHO IS AN ADDICT?

Most of us do not have to think twice about this question. WE KNOW. Our whole life and thinking is centered in drugs in one form or another, the getting and using and finding ways and means to get more. We use to live and live to use. Very simply an addict is a man or woman whose life is controlled by drugs. We are people in the grip of a continuing and progressive illness whose ends are always the same, jails, institutions and death.
