What are "Open" and "Closed" meetings?

"Closed" NA meetings are only for drug addicts or those who think they might have a drug problem. Closed meetings provide an atmosphere in which addicts can feel more certain that those attending will be able to identify with them. The leader often reads a statement at the beginning of a closed meeting, explaining why the meeting is closed and offering to direct non-addicts who may be attending to an open meeting.

"Open" NA meetings are just that - open to anyone who wants to attend. Some groups have open meetings once a month to allow non-addict friends and relatives of N.A. members to celebrate recovery anniversaries with them. It should be made clear during the meeting that N.A. groups do not accept monetary contributions from non-addicts.

THE TWELVE STEPS OF NA

If you want what we have to offer, and are willing to make the effort to get it, then you are ready to take certain steps. These are the principles that make our recovery possible.

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

THE TWELVE TRADITIONS OF NA

We keep what we have only with vigilance and just as freedom for the individual comes from the Twelve Steps so freedom for the group springs from our traditions. As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our Group purpose there is but one ultimate authority--a loving God as He may express Himself in our Group conscience, our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each Group should be autonomous, except in matters affecting other Groups, or NA, as a whole.
5. Each Group has but one primary purpose--to carry the message to the addict who still suffers.
6. An NA Group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every NA Group ought to be fully self-supporting, declining out-side contributions.
8. Narcotics Anonymous should remain forever non-professional, but our Service Centers may employ special workers.
9. NA, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. NA has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, every reminding us to place principles before personalities.

THE TWELVE CONCEPTS OF NA

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure, which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

WHO IS AN ADDICT?

Most of us don't have to think twice about this question. WE KNOW! Our whole life and thinking was centered in drugs in one form or another--the getting and using and finding ways and means to get more. We lived to use and used to live. Very simply, an addict is a man or woman whose life is controlled by drugs. We are people in the grip of a continuing and progressive illness whose ends are always the same: jails, institutions and death.

WHY ARE WE HERE?

Before coming to the Fellowship of NA, we could not manage our own lives. We could not live and enjoy life as other people do. We had to have something different and we thought we had found it in drugs. We placed their use ahead of the welfare of our families, our wives, husbands, and our children. We had to have drugs at all costs. We did many people great harm, but most of all we harmed ourselves. Through our inability to accept personal responsibilities we were actually creating our own problems. We seemed to be incapable of facing life on its own terms.

Most of us realized that in our addiction we were slowly committing suicide, but addiction is such a cunning enemy of life that we had lost the power to do anything about it. Many of us ended up in jail, or sought help through medicine, religion and psychiatry. None of these methods was sufficient for us. Our disease always resurfaced or continued to progress until in desperation, we sought help from each other in Narcotics Anonymous. After coming to NA we realized we were sick people. We suffered from a disease from which there is no known cure. It can, however, be arrested at some point, and recovery is then possible.

WHAT IS THE NARCOTICS ANONYMOUS PROGRAM?

NA is a nonprofit Fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.

There are no strings attached to NA. We are not affiliated with any other organizations, we have no initiation fees or dues, no pledges to sign, no promises to make to anyone. We are not connected with any political, religious or law enforcement groups, and are under no surveillance at any time. Anyone may join us, regardless of age, race, sexual identity, creed, religion or lack of religion.

We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting, because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meeting regularly stay clean.

Tell yourself

JUST FOR TODAY my thoughts will be on my recovery, living and enjoying life without the use of drugs.

JUST FOR TODAY I will have faith in someone in NA who believes in me and wants to help me in my recovery.

JUST FOR TODAY I will have a program. I will try to follow it to the best of my ability.

JUST FOR TODAY through NA I will try to get a better perspective on my life.

JUST FOR TODAY I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow this way, I have nothing to fear.

.

OUR MESSAGE IS...

That an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live. Our message is hope and the promise of freedom.

STAY AROUND LONG ENOUGH FOR THE MIRACLE TO HAPPEN!

Serenity Prayer

God, grant me the serenity
To accept the things I cannot change,
The courage to change the things I can,
And the wisdom to know the difference.
