The Bristol group has found a new location. It will be held at the United Methodist Church, on the corner of Mulberry and Cedar Streets in Bristol on Tuesday nights at 8:30.

There is a new meeting in Lansdale on Thursday night. It is held at the Holy Trinity Church, 4th and Broad Streets at 8:30.

There are two new meetings, one on Monday at 7:30 and one on Saturday at 8:00, on 27 N. Queen St. in York, Pa.

The Ellisberg Freedom group will hold a meeting on Saturdays at 8:30 at St. Andrew's Church.

Regional Service Report

Both the Baltimore and New Jersey areas were accepted to our region. Our region now consists of five areas. The election of officers will take place at the next regional service meeting in October. A motion was passed that made it possible to elect regional officers other than just those that are our area representatives and alternates. In order to be elected as an officer, you must attend the October meeting. The possibility of forming a Regional Literature committee is being explored. Harrisburg announced that they will make a bid for the next World Convention. A motion was passed to call our region the "Mid-Atlantic Region". The next Regional Service meeting will be held in Williamsport, Pa. on October 24, at 2:00.

Public Information-

The chairperson for the Public Information Committee was not present to give a report.

Prisons and Institutions-

The Bridge would like to have another meeting on Sunday at 12:00. 4th and Pine and Gloria Dei will be host groups. The Chester County Prison meeting needs support. It is held on Wednesday night at 9:00. The Holmesburg Prison would like to have a meeting. The Reality group will be host. A motion was passed that host groups who cannot afford literature for the institution, will be provided with literature donated to them by Area Service or the Literature Fund. The Fairmont Institute would like to have a meeting. The Momyunk group will be host.

Hotline-

The Freedom group will take the Hotline for another month. The committee is still working on improvement.

New Business

Reality group will be having a dance on September 26 and on October 31. It will be held at Beth Ameth, Bustleton and Unruh, at 9:00. Suggested donation is \$3.00. The reality group needs support for an abundance of newcomers. There was a discussion about strict alcoholics speaking at N.A. meetings. It was decided that alcohol is a drug and that as long as the speaker did not preach the A.A. program, the matter would be left to the group's discretion. There was also a discussion about people coming to meetings while still using. This was also left to the group's discretion, reminding them to give thought to the first tradition. In regard to unapproved N.A. literature, it was decided that it must be announced that it is unapproved, and must not be displayed alongside N.A. approved literature.
