## Sub-committee Reports

H&I: Committee mtng. doing well.

- Hosts are still needed for prison commitments.
- Some commitments are not being properly fulfilled. In certain instances institution guidelines for mtng format are not being followed and also clean time requirements are not being upheld.
- Request by Tim Ohlmann for a mtng at 8th & Luzern.  
church office: 225-0309      Tim Ohlmann: 225-9048  
How It Works group will check into starting this mtng.

Public Information: Stopped mailing letters to school as end of school year is approaching. Will resume mailing in the fall.

- 300 posters with hotline number are presently on the streets.
- Any ideas for this committee should be directed to Jay, 671-1634
- Any one interested in PI area representative position should attend the next area meeting.

Hotline: No official mtng. was held since last area mtng.

- Presently an answering service is taking calls and most people hang up, not wanting to wait up to 3 or 4 hours in some cases to be contacted by a NA member. Therefore, it is the consensus of the committee to change the format in order to run the hotline more efficiently and to eliminate the need for an emergency list.
- A new format will be presented to the area at the next mtng.
- Next hotline mtng.: Thurs. May 22, 7:30 pm Bridge out-patient  
1912 Welsh Rd.

ASR: Next mtng., May 17, 1986 Pratt & Sommerdale 12:00 noon.

- Two representatives from the World Service Board of Trustees will be present at the mtng. when a full report from the World Service Conference will be given.

Literature: Lit. needs for the area totaled \$1,106.
