In the greater Philadelphia Region, Narcotics Anonymous groups are springing up at a rate that is astonishing, and a credit to our fellowship and its principles.

That is what it is all about, one addict helping another. Our primary purpose is to carry the message, obviously the message has been carried in the Philadelphia Area. N.A. membership has quadrupled in the past two years and continues to grow daily. Many groups who before held 20 members, have now grown to 100 or more. We would like to formally announce the formation of the Riverfront Area of Philadelphia. In our services guide it states: "When an area or region grows to a point where it cannot efficiently serve its members needs, that an area or region should divide". Efficiency is the keyword here, from a survey we have taken in our fellowship, the most optimum efficiency has been achieved in areas containing 20 to 40 groups per area, we feel that 20 or so groups can more efficiently interact and achieve a true group conscience.

The geographical boundaries areas follows from North to South, from our northern city limits South on Roosevelt Blvd., to Cheltenham Ave, East on Cheltenham Ave to Frankford Ave to Erie Ave., West on Erie Ave. to Broad Street, South on Broad Street to the River, our eastern boundary is the Delaware River.

As of Monday, June 6, 1988, we have had 6 groups conscienced to join our area. More groups are coming and we cordially invite other interested groups to become a part of the area. The groups are as follows: Surrender To Win, For Addicts Only, Living the Program, New Alternatives Group, Attitude of Gratitude, No A.N.D.A. As other groups, group conscience, the Mother area will be kept informed. As long as the ties that bind us together are stronger than those that would tear us apart all will be well. We must live and work together. We set aside our differences and work for the common good.

Narcotics Anonymous is a God given program with faith in a power greater than ourselves, with hard work and unity we will survive, grow beyond our wildest dreams and continue to carry the message to the addict who still suffers.

Unity is a must in Narcotics Anonymous. To maintain this unity we must cooperate. In the spirit of unity and cooperation we are asking for your continuing cooperation in the ensuing months until, this area can achieve true autonomy.

On Saturday, June 18, 1988, 2: PM at John McCullough Hall, Torresdale & Robbins Avenue our area service meeting was held.

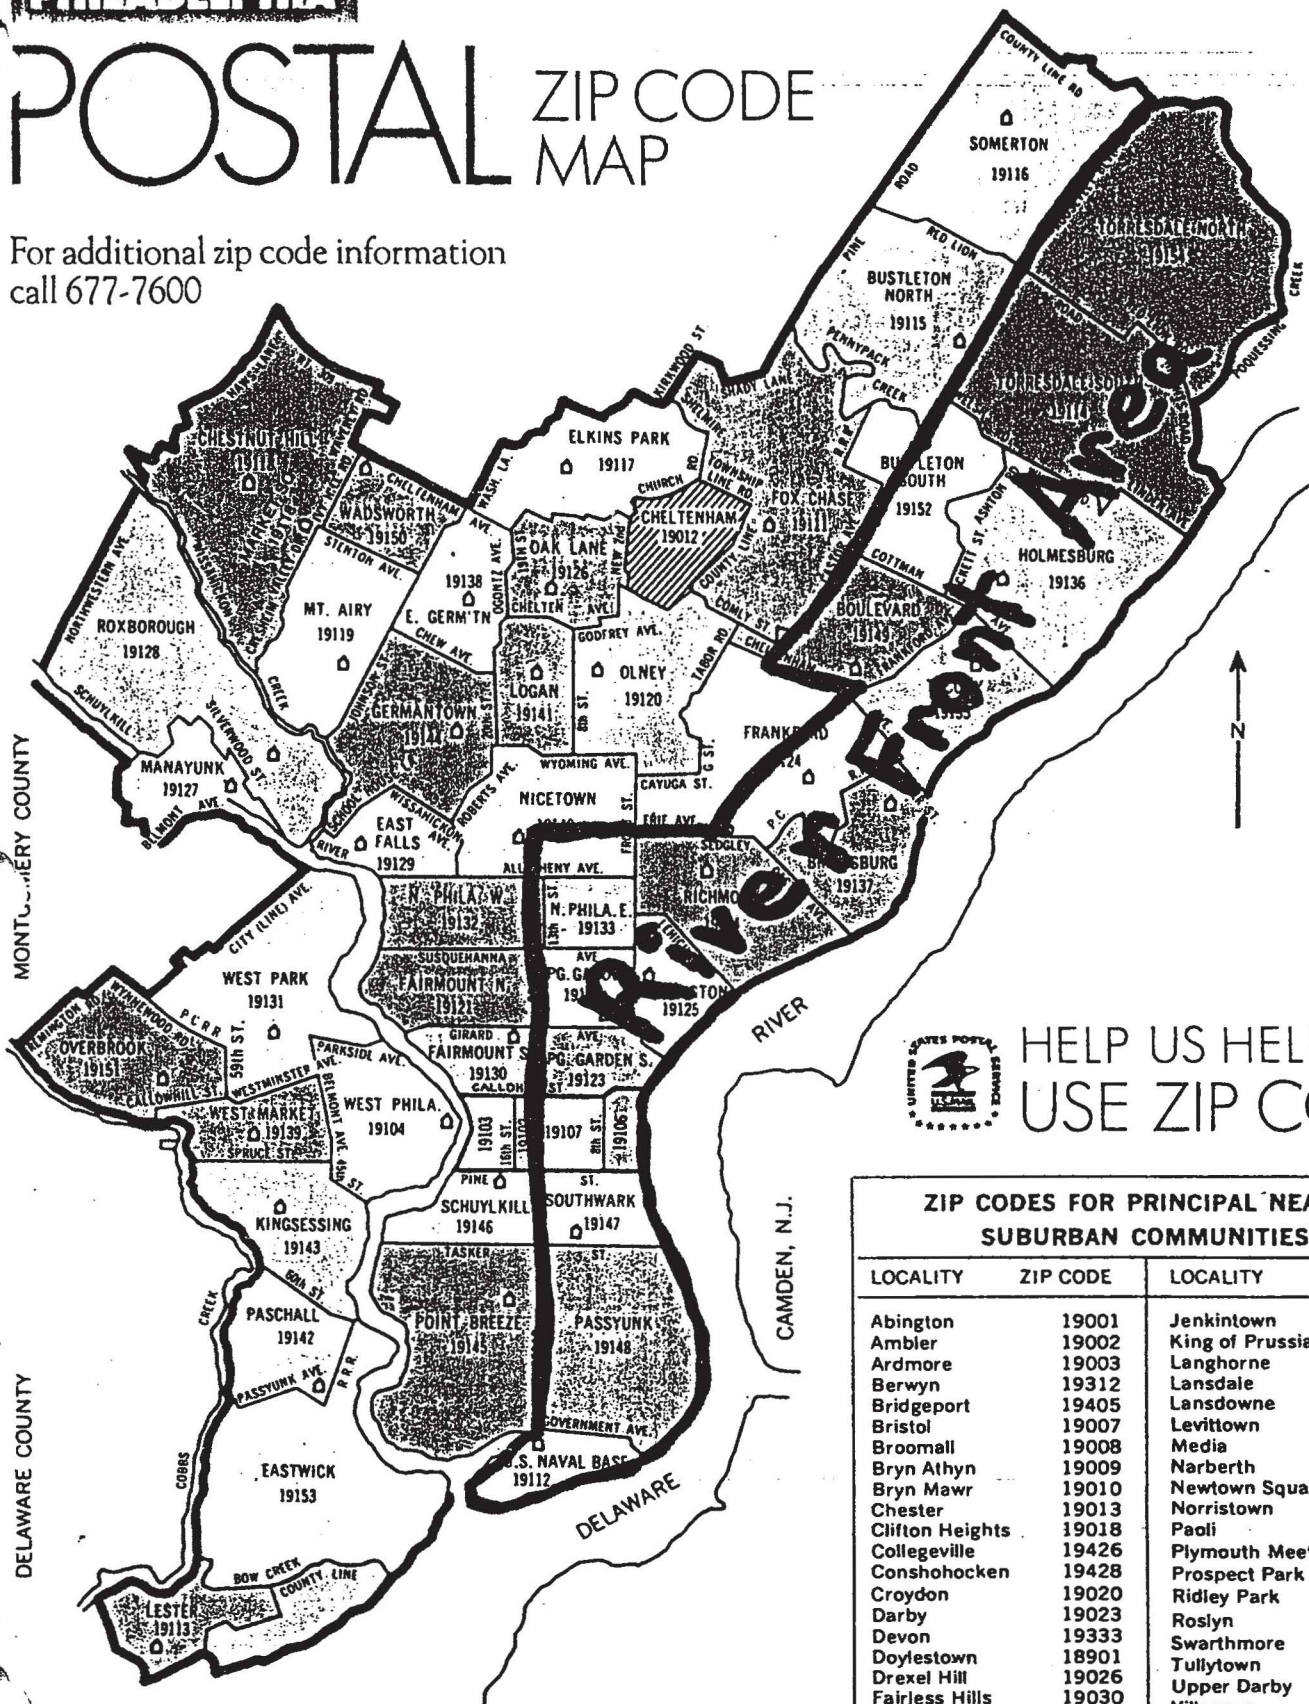

Once again we would like to express our gratitude to the Mother Area

Dear Frank:

Please find enclosed the following rates covering everything we have discussed.

I attempted to keep the price of the banquet at \$20.00 as we discussed, but with everything that is involved, including the time of year, party favors etc., the best price I could come up with is \$25.00 per person. This price includes the banquet buffet, unlimited coffee, party favors, and all taxes and gratuities.

I was able to restructure the package prices for the one and two overnight stays. The following prices include guest rooms, the banquet, and breakfast on Sunday morning January 1, 1989.

	<u>Single</u>	<u>Double</u>	<u>Triple</u>	<u>Quad</u>
One Overnight Package	\$ 99.00	\$ 70.00	\$60.00	\$55.00
Two Overnight Package	\$163.00	\$105.00	\$86.00	\$77.00

If you have any questions concerning any of the information you have received, please feel free to give me a call at any time.

Sincerely,

Jim O'Donnell

## Regional Report

The convention committee has met twice since our initial meeting on the 9<sup>th</sup> of June, we met on June 13, and June 23<sup>rd</sup>. The purpose of our meeting on the 13<sup>th</sup> was to elect co-chair people for the existing chair ~~post~~ persons security, fundraising, merchandising, registration, convention info, arts & graphics, hospitality. And also as a result of a group conscience we also elected a co-chair for hotel liaison. Normally the hotel liaison & chair person would have worked hand in hand with the hotel, the conscience of the committee felt, since we had co-chairs for all other positions, we should have a co-chair for hotels as well. Also on the 13<sup>th</sup> our elected Sec. Melvin S. resigned his position and it was announced throughout the Fellowship that the position would be filled on June 23<sup>rd</sup>. Also at this meeting it was discussed the unavailability of cash flow and this existing committee inability to sign checks, since the checks were still under the pre existing committee's names. (Yvonne's chair) From 1988. We also must include in this report what the feedback we got from J.R. Fried the ASL the RSO was having a workshop on existing convention committee accounts, and that we would have to wait for an appointed member of the INC to co-sign the checks with the treas. After the completion of my report I would like some clarification on this matter being that our hands are tied as far as where are we going to get money to pay

(2)

## Our Bills.

The purpose of our meeting on the 23<sup>rd</sup> of June was to set an existing policy for the committee of 1989  
EX: Voting Procedures, do chair and co-chair have a vote, The group consensus, felt as though only chairs can vote and in the event that a chair person is not present then a co-chair may carry that vote. We also made policy on attendance, and made policy on the possibility that a chair person may have to be replaced for not handling his or her responsibilities to the committee on a consistent basis. Policy was also made on members who leave meetings before the meeting is closed. We also have an existing policy that all committees submit a written report on their prospective committee. The subject of fundraising was also discussed, our fundraising chair, Frank, has been asking for a certain amount to get fundraising started, I also would like to disclose that Frank called me and informed me that he could get the Kensington Roller rink for \$350.00 dollars. After discussing the matter with the executive committee co-chair person, since at this time there was only three of us, and the press could not be contacted. We advised Frank to hold up on the roller rink, reason being that in the best interest of the committee, and to avoid confusion, since we had no knowledge of how or when we could pay for this since we had no control over the checks we decided to

(3)

Postpone the matter until we meet again on Nov. 14  
at PPC. A new Sec. was elected at this meeting  
Liz. H. from the 38<sup>th</sup> ST Group who will now be a  
part of the executive committee. Also at this meeting  
~~something happened~~ a new position was created on the  
executive committee. It was decided that Dennis N  
Lito is the committee's co-treasurer be included on the  
executive committee, the reason being as decided by  
a group conscience, that in the event of vote by the  
executive committee it would always be a deciding vote  
because he would be the 5<sup>th</sup> member joining the chairman  
co-chairman, Treasurer, Secretary - As stated before  
from the previous report on the 13<sup>th</sup>, we would like know  
How can we obtain the check book, and if so, why?  
We would also like the 1988 convention committee chair to hand  
over ~~any~~ any and all pertinent information from last years  
committee, to help us better serve the Fellows. Is this  
particular committee being policed, and if so, why? Is it a fact  
that a member from the ASD Board or office will negotiate  
the hotel contract? Also as chairman, when I asked a question  
by the existing committee about the inner function of the hotel's  
contract, I have to direct the questions to the Regan co-chair  
who was the past convention chair. Am I not ~~instructed~~ ~~privileged~~  
to this information so that I may share it with the  
committee as a whole.

(4)

Also a member of the committee, asked me to bring to this body. The recent AREA Service minutes that a motion from the region to have all sub-committees serve 2 yrs, excluding the Convention Committee. And since the Convention Committee is a sub-committee of the region accountable to region as well as the Fellowship why is the Convention Committee excluded?

Finally, the Convention Committee ask that all RSR's ~~be~~ go back to the ~~top~~ areas and put out to the Fellowship in these prospective areas, to send a representative to form the Program Committee for 1989. The meeting will be held at PPC Aug. 14, 1988 at 1 o'clock pm.

If for whatever reason a member does not attend from your area, the Convention Committee will form the committee from members of the Fellowship in attendance at this meeting. Requirement for position Program Committee is 2 yrs.

Following Service  
~~with the Convention Committee.~~
