Letter From The Phila. Helpline Chair:

Dear Fellowship,

This letter is with concern to a needed participation in our helpline. We believe as a fellowship that we can only keep what we have by giving it away. This is a spiritual principle we live in our recovery.

As members of N.A. we each have a responsibility to carry the message to the addict who still suffers. It is one of the ways we fulfill our ninth, eleventh and our twelfth step. The helpline is directly a result of "The Therapeutic value of one addict helping another."

To get involved you need 6 mos. clean time and a willingness to serve. What's involved is attending one helpline meeting a month and man the telephones with other addicts as a team.

If we come together as a fellowship and serve we can strengthen N.A. by doing this we can better carry the message to the addict who still suffers.
