THE TWELVE STEPS OF NARCOTICS ANONYMOUS*

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

NARCOTICS ANONYMOUS

N.A. is a nonprofit Fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.

There are no strings attached to N.A. We are not affiliated with any other organizations, we have no initiation fees or dues, no pledges to sign, no promises to make to anyone. We are not connected with any political, religious or law enforcement groups, and are under no surveillance at any time. Anyone may join us, regardless of age, race, sexual identity, creed, religion or lack of religion.

*We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting, because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.**

1988 PHONELINE DIRECTORY

INTRODUCTION

In our effort to fulfill our commitment to ourselves and other addicts by providing the opportunity to attend N.A. meetings, we have published this directory of telephone numbers for use in locating meetings. This directory is intended to be used by addicts, friends and family members of addicts, and by professionals who come in contact with addicts. This information is provided as a resource so that anyone interested in attending an N.A. meeting can find one.

In recent years, we have experimented with several different approaches to providing information on meetings. We discovered our growth was so explosive that printing an index of current meetings was impractical. We've discovered that meeting information is most accurate at the area service committee level. This level of service is the closest to the actual meetings. Therefore, to capitalize on the accuracy of that information, it has been found desirable to utilize the area service committee as the source.

This publication lists telephone numbers where assistance can be obtained to locate meetings. In some places, a state-wide 800 number is offered by a service committee. Where 800 numbers are not present, local numbers will have to be used. In some states, there is the choice between 800 numbers and local numbers. Where this occurs, both numbers are shown. An area code map is included to assist you in locating phone numbers.

In some states, there are service offices operated by area or regional committees to serve the Fellowship and to be a point of contact for the general public. Addresses and telephone numbers for these offices are also shown.

N.A. phonline are activities of service committees composed of N.A. members. Because most N.A. phonline are staffed by volunteers who lead active lives in their own recovery and provide service to other addicts in this manner, they are not always manned by recovering addicts on a twenty-four hour basis. Each phonline is operated independently and according to the policies of the area or regional committee it serves. Accordingly, some patience will be required in obtaining direct contact with a member of the phonline service committee once the number is called. Some telephone phonline have the telephone number connected through telephone switching equipment, or answering services and information is relayed to members rather than having a member of the Fellowship directly on the line at all times. Please accept this inconvenience as a demonstration of N.A. growth and activity in recovery.

Addresses for service offices are included to assist in obtaining literature locally. Some service offices have a business number and a phonline number, while other offices have only a business number. To avoid confusion a separate column is used for business office purposes.

This directory is intended for use by N.A. members and the general public. To accommodate internal use, many of the names of area service committees have been included. However, many of these names are not fully descriptive of the geographical area served by a particular committee. To help clarify this situation we have in the second column shown the city or county in which the telephone number is physically located. In most cases the members working the phonline can provide information about neighboring communities if necessary.

THE TWELVE TRADITIONS OF NARCOTICS ANONYMOUS*

1. Our common welfare should come first; personal recovery depends on N.A. unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or N.A. as a whole.
5. Each group has but one primary purpose—to carry the message to the addict who still suffers.
6. An N.A. group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every N.A. group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. N.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

UNITED PUBLICATIONS AT ALL TIMES
FROM THE WORLD SERVICE OFFICE

Another important fact is
that the world is not
a uniform whole. It is
divided into many parts
and each part has its
own life and its own
problems. The world
is not a single entity
but a collection of
many different peoples
and nations. Each
has its own history
and its own future.
The world is a complex
and ever-changing
entity. It is not
a simple machine
that can be
controlled by a few
hands. It is a living
organism that
grows and changes
with time. The
world is a vast
and beautiful
place. It is
our home and
our responsibility.

A history of the world is a story of the struggle for peace and justice.
