1994 Phoneline Directory

1994 PHONELINE DIRECTORY

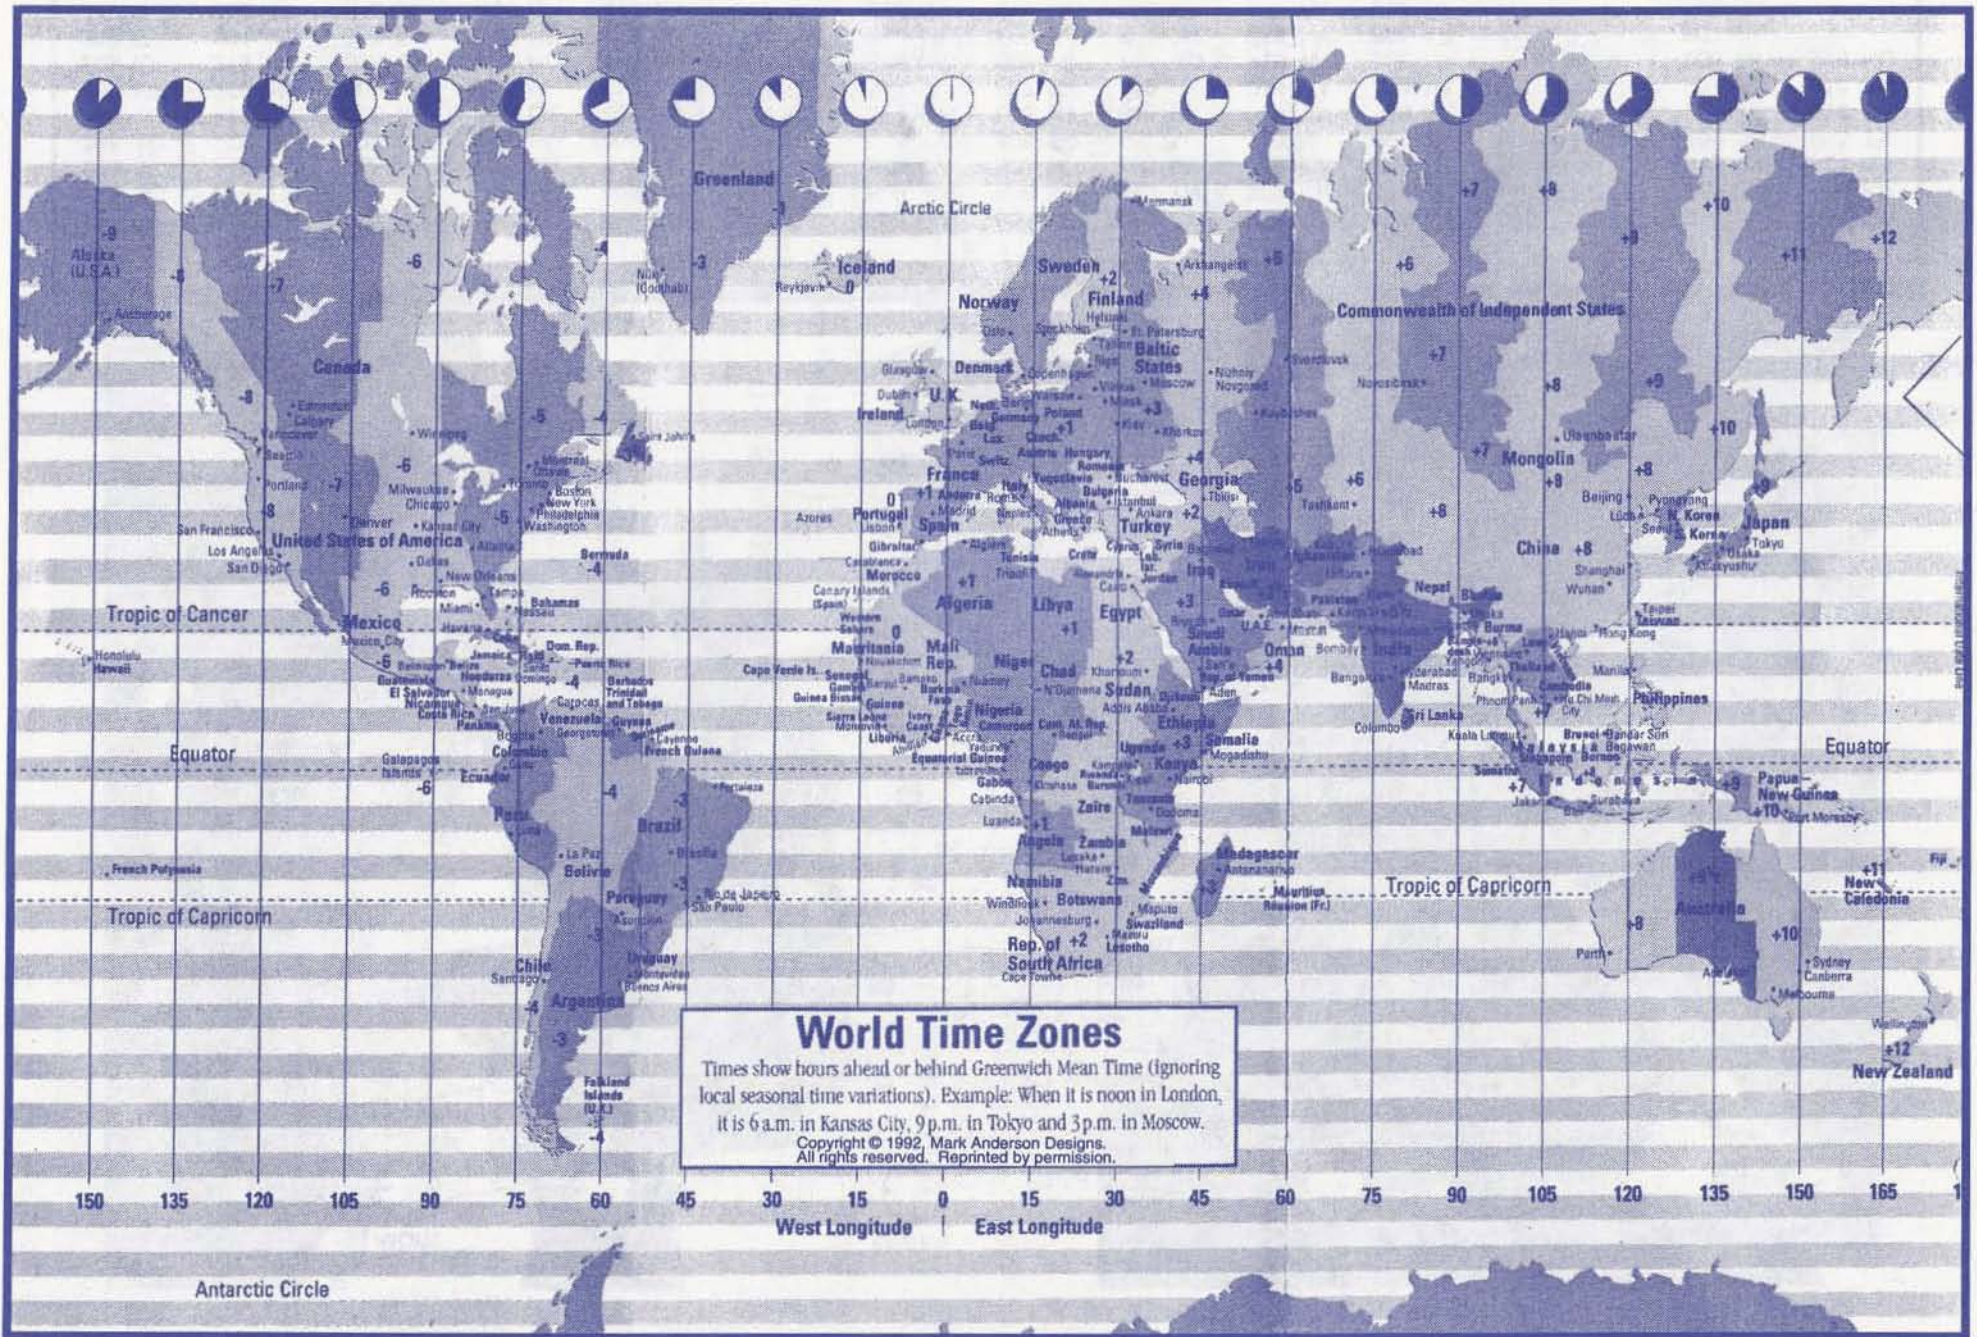

This directory of telephone numbers is published as a resource for use by NA members and the general public. Because Narcotics Anonymous is growing rapidly, it is difficult to keep an accurate list of all the meetings taking place throughout the world. The telephone numbers in this directory will help you contact local NA committees for meetings and other information. Local committees generally have the most current information regarding meeting times and places in their vicinity. The numbers in this directory may ring into an answering machine, an answering service, or directly to a member. This is determined solely by the needs and resources available in the area. Addresses and telephone numbers for local offices, where they exist, are also listed in this directory. Numbers are listed by the nation, state or province, and city or county in which they are physically located. In most cases, the people answering the phoneline can provide information about neighboring communities.

NARCOTICS ANONYMOUS

NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership: the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.

There are no strings attached to NA. We are not affiliated with any other organizations. We have no initiation fees or dues, no pledges to sign, no promises to make to anyone. We are not connected with any political, religious, or law enforcement groups, and are under no surveillance at any time. Anyone may join us, regardless of age, race, sexual identity, creed, religion, or lack of religion.

We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting, because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.

World Time Zones
 Times show hours ahead or behind Greenwich Mean Time (ignoring local seasonal time variations). Example: When it is noon in London, it is 6 a.m. in Kansas City, 9 p.m. in Tokyo and 3 p.m. in Moscow.
