HELP!!!

We have searched high and low. We've walked our fingers to the bone. We've looked and looked and looked, and we just can't find some of you.

Anonymity is one thing, but this is ridiculous. We want to personally invite every member, group, area and region to the biggest, brightest and best World Convention ever, but we don't have your addresses. We don't want any addict, anywhere, to miss WCNA-13 because they didn't get a flyer or registration form.

So, please, TODAY, send us as much of the following information as you can:

1. The addresses and phone numbers (if available) of your local region;
2. The addresses and phone numbers of the areas in your region;
3. Meeting lists (and contact mailing lists) of the groups in your region;
4. Names, addresses and phone numbers of all regional and area chairpeople; especially, H&I and P.I.;
5. Names, addresses and phone numbers of other individuals that need to be on the Convention mailing list. Please indicate if these are members, professionals, or other pertinent information.

We hope to see you at the Vista in New York City on Labor Day Weekend, 1983.

In loving service, we remain

Faithfully yours,

The Public Relations Committee
WCNA-13

P.S.:

Please copy and pass this letter on to others (individuals, groups, areas, etc.)

THE IMPOSSIBLE DREAM

WCNA-13
NEW YORK CITY
SEPT. 1-4, 1983

THE TWELVE STEPS

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory, and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us, and the power to carry that out.
12. Having had a spiritual awakening as a result of those steps, we tried to carry this message to addicts and to practice these principles in all our affairs.

– NOTES –

THE TWELVE TRADITIONS OF N. A.

We keep what we have only with vigilance and just as freedom for the individual comes from the Twelve Steps so freedom for the groups springs from our traditions.

As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first; personal recover depends on N. A. unity.
2. For our group purpose there is but one ultimate authority – a loving God as He may express Himself in our Group conscience, our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is the desire to stop using.
4. Each Group should be autonomous, except in matters affecting other Groups, or N.A., as a whole.
5. Each Group has but one primary purpose – to carry the message to the addict who still suffers.
6. An N. A. Group ought never endorse, finance, or lend the N. A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every N. A. Group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever non-professional, but our Service Centers may employ special workers.
9. N. A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. N. A. has no opinion on outside issues; hence the N. A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.
