Once A Dream

NOW A REALITY

W • C • N • A - 18
ANAHEIM • CALIFORNIA • SEPTEMBER • 1-4 • 1988

ATTENTION

Due to the unforeseen growth and response to our convention by our fellowship, you may experience crowding, long lines, and difficulty attending the meetings. We hope that you will share in fellowship throughout the hotel, in the alternative areas provided.

We, the Committee, ask that you help us in maintaining the condition of the hotels and all other facilities. Please lend assistance to each other should you become aware of an incident. We need to remember that our personal conduct is a reflection of our program in action. This affects Narcotics Anonymous as we present ourselves to the public in an attempt to carry our message of recovery to the still suffering addict.

In understanding your and our frustration, we ask you to join us in unity and overcome a possible detrimental situation to our fellowship by practicing our principles of recovery. Hopefully, we will remain conscious of this when dealing with the hotel staff, hotel property, disposing of trash, putting out of cigarettes, and following the committees' direction in the event we need to move to an alternative gathering place.

Please help us by wearing your convention badge at all times, which is your admittance to all convention functions. We are not responsible for the replacement of lost convention badges. There are no refunds on meal tickets.

We, the Committee, apologize for any inconvenience you may experience while attending the WCNA-18 and gratefully appreciate your efforts in making this truly a celebration of our recovery.

Thank you.

WCNA-18

THEME

"No addict seeking recovery need die without having had a chance to find a better way of life."
This Was "Once a Dream Now a Reality."

CONVENTION INFORMATION SUB-COMMITTEE & YOU

In keeping with our 11th Tradition, we did not feel it appropriate to invite media attention, however, there is always the possibility that they will show up. If you are approached by a member of the media (or someone not in our Fellowship), requesting information, please refer them to the appropriate trusted servants, in this case, the Convention Information Sub-Committee. The C.I. sub-committee will be located on the Ballroom Level, behind the counter in the Hilton Hotel.

Please respect each fellow member's anonymity and do not bring photographic or tape equipment into meetings or workshops.

The Hilton's phone number is (714) 750-4321. The operator will connect you with the WCNA-18's telephone.

(*) These Speaker Meetings are being interpreted for the hearing impaired.

THE TWELVE STEPS OF NARCOTICS ANONYMOUS

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought thorough prayer and meditation to improve our conscious contact with God *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

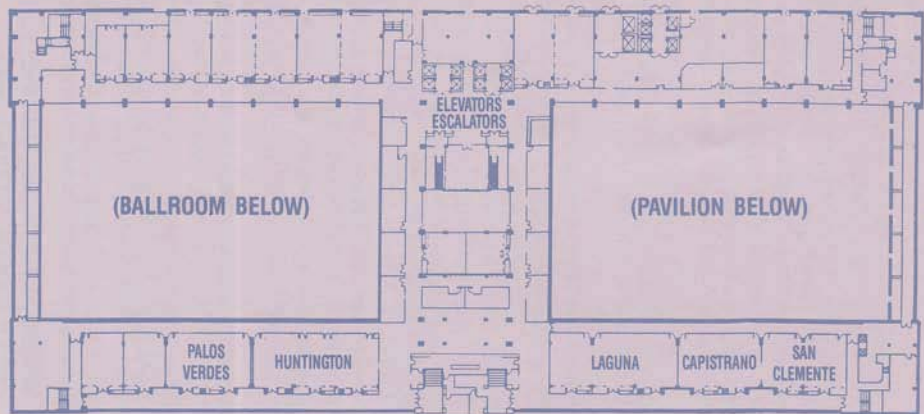

THE TWELVE TRADITIONS OF NARCOTICS ANONYMOUS

1. Our common welfare should come first: personal recovery depends on N.A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or N.A. as a whole.
5. Each group has but one primary purpose — to carry the message to the addict who still suffers.
6. An N.A. group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every N.A. group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. N.A., as such, ought never be organized but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.
