THE MAGIC IS REAL

W C N A X I X

ORLANDO, FLORIDA USA • 8/31-9/3, 1989

WELCOME

The Host Committee welcomes you to the 19th Annual World Convention for Narcotics Anonymous. We gather to celebrate our recovery. We come from different groups, areas and regions to learn from one another, identifying not just across a room, but across the world. To experience a convention is to know that N.A. works, that our lives and our recovery have great meaning and that N.A.'s heart beats with energy and love!

The theme for this year's convention is "The Magic Is Real". Its intent being that the ability to recover from the disease of addiction is seemingly magical. But that we gain recovery by practicing principles in our daily lives, and that work is REAL, not magical.

On behalf of everyone who assisted in service for WCNA-19, we thank you for coming and hope you enjoy your time at this "The Magic Is Real" convention.

REMEMBER —

Please be conscious of your behavior when dealing with hotel staff and property and dispose of trash and cigarettes properly. Our personal conduct is a direct reflection of our program in action. This affects Narcotics Anonymous as we present ourselves to the public in an attempt to carry the message of recovery to the still suffering addict. Thank-you very much.

THE 12 STEPS OF NARCOTICS ANONYMOUS

If you want what we have to offer, and are willing to make the effort to get it, then you are ready to take certain steps. These are the principles that made our recovery possible.

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory, and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us, and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts and to practice these principles in all our affairs.

This sounds like a big order, and we can't do it all at once. We didn't become addicted in one day, so remember—*easy does it*.

THE 12 TRADITIONS OF NARCOTICS ANONYMOUS

We keep what we have only with vigilance, and just as freedom for the individual comes from the Twelve Steps, so freedom for the group springs from our Traditions.

As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first; personal recovery depends on N.A. unity.
2. For our Group purpose there is but one ultimate authority—a loving God as He may express Himself in our Group conscience; our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each Group should be autonomous, except in matters affecting other Groups, or N.A., as a whole.
5. Each Group has but one primary purpose—to carry the message to the addict who still suffers.
6. An N.A. Group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every N.A. Group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our Service Centers may employ special workers.
9. N.A., as such, ought never to be organized; but we may create service boards or committees directly responsible to those they serve.
10. N.A. has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

"We keep what we have only with vigilance..."

Please remember, this is a function of Narcotics Anonymous. We hope all addicts receive the best message possible when attending an NA function. We hope to make that message obvious to the hotel staff members who come in contact with our fellowship. Depending on what the public sees displayed in the message we carry, all individuals may someday come to know that no addict need die from addiction, that there is a place and a way to recover. Let us never obscure that fact, the fellowship of Narcotics Anonymous is that place and that way.

WCNA XIX UPDATE

Greetings to you all, from the WCNA XIX Convention Information Committee. We'd like to take this opportunity to get you as excited as we are about the upcoming convention. We would also like to inform you about some of the events planned, services offered, as well as where and when to find them.

Pre-registering for the convention will save you time when picking up your package at the convention. Registering early, if you are going to the banquet, will also give you the closest seat to the podium. The seating at the banquet is in blocks of 850. Another item of importance is the bus pass. Serious consideration should be given to the purchase of these passes. They will provide you with unlimited transportation to and from your hotel and the Convention Center during the convention. Since there is a 2 mile distance between the hotels and the Convention Center, the passes should prove to be invaluable. Temporary bus passes will be available upon check in at all the hotels so that you may get to the Convention Center for Registration initially. Permanent bus passes will be on hand at the Registration desk at the Convention Center during the convention.

Our Entertainment Committee has many fun filled events planned during our celebration of recovery. Two events that require an early commitment upon arrival are the volleyball tournament and the talent show. The sign up for the volleyball tournament will be at the Convention Center on Thursday, August 31st between 2 p.m. and 8 p.m. The Talent show sign up will be Thursday, Friday and Saturday at the Convention Center.

Many services will be offered to help make this convention more enjoyable, some of those included are:

Babysitting - Available at the Stouffer Hotel. More will be revealed regarding availability to those staying in other hotels and the hours of operation.

Coffee Room - A large, plush, relaxed setting will be provided by the Convention Center.

Hearing Impaired - Two Signers will be up at each night's main meeting.

International Visitors - An International room will be available all weekend at the Convention Center for anyone wishing to have a meeting in another language.

Information Booths - Will be set up at the Stouffer, Sheraton and Convention Center. An information phone line will be answered by volunteers at the Convention Center. The number and hours of service will be posted at the five key hotels.

The WCNA XIX Convention Information Committee would like to remind you that it takes all of us to make a successful convention. In order to provide all these services we need you to volunteer some of your time during the convention. An important part of our personal program of recovery is to give back what was so freely given to us. If you want to "give it back", if you to receive the benefits of feeling "a part of", then fill out the bottom of this letter and mail it in. You can also sign up at the Convention Center upon your arrival. We need your help, so please get involved.

See y'all in Orlando
