HOTELS

For those desiring to stay in hotels, the convention has room price agreements at hotels. As the number of hotel rooms available in each hotel is limited, you may want to make reservations early. The primary events (main meetings, workshops, convention store and registration) will be held at the Memorial Coliseum which is located at 1401 North Wheeler.

Some of the special events (banquets, dances, etc.) will be scheduled for specific hotels. Some workshops will also be held in the Red Lion Lloyd Center Hotel. There will be marathon meetings and hospitality rooms at both the Red Lion Lloyd Center, which is located at 1000 N.E. Multnomah and the Portland Hilton Hotel, which is located at 921 S.W. Sixth Avenue.

There is some distance between most hotels and the Coliseum. You may want to make your selection of hotel for the combination of advantages that suit your attendance at the convention. For example those who may wish to be in the downtown area of the city may elect to choose either the Portland Hilton (3) or the Heathman Hotel (4). Those members who may wish to be closer to the Memorial Coliseum may elect to stay at the Red Lion Lloyd Center (2) or the Best Western Coliseum (5). See the enclosed map for the location of these facilities.

The following hotels have agreed to offer these room rates for attendees of this N.A. convention for reservations made prior to August 1, 1990. The hotels reserve the right to charge regular rates for rooms that are reserved after August 1, 1990. Rates quoted do not include tax which is 9% per night. To make accommodations, please contact the hotel using the phone number provided.

WELCOME!

The host committee welcomes you to the 20th Annual World Convention for Narcotics Anonymous. Instead, we are continuing on a path toward recovery, a continuous process: a journey. We are here to celebrate that journey with one another. Through the promise of a life free from active addiction, and the hope that no addict need ever die from the horrors of addiction, we have faith that with "Recovery, the Journey Continues."

THE 12 STEPS OF NARCOTICS ANONYMOUS

If you want what we have to offer, and are willing to make the effort to get it, then you are ready to take certain steps. These are the principles that made our recovery possible.

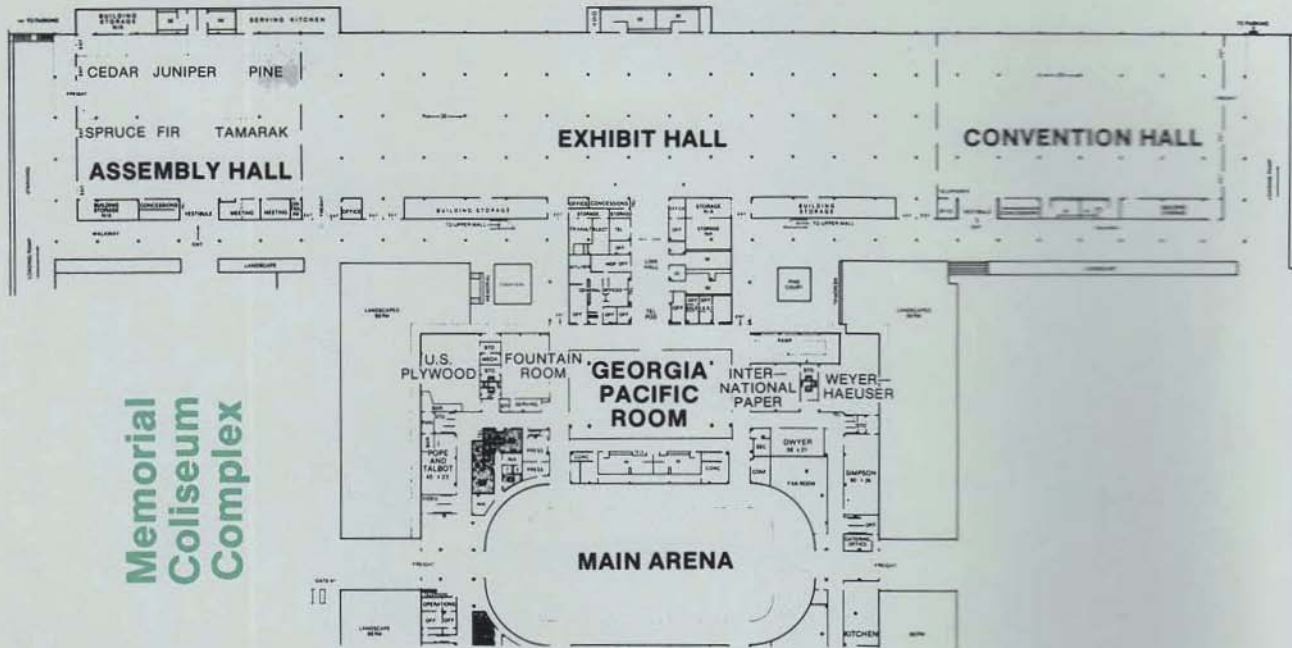

1. We admitted we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these Steps, we tried to carry this message to addicts and to practice these principles in all our affairs.

THE 12 TRADITIONS OF NARCOTICS ANONYMOUS

We keep what we have only with vigilance, and just as freedom for the individual comes from the Twelve Steps, so freedom for the groups springs from our Traditions.

As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first; personal recovery depends on N.A. unity.
