希望
HOPE

WCNA XXIV

BALTIMORE, MARYLAND
SEPTEMBER 1,2,3,4, 1994

Welcome

"THE MESSAGE IS HOPE"

"Our message of recovery is based on our own experience. Before coming to our Fellowship, we exhausted ourselves trying to use successfully, or trying to find out what was wrong with us. After coming to NA., we found ourselves among a very special group of people who have suffered like us and have found recovery. In their experiences, freely shared, we found HOPE for ourselves. If the Program worked for them, it would work for us."¹

"We all reached the point in our lives where we felt like a lost cause. The people in the Fellowship gave us HOPE by insisting we could recover. Surrounded by fellow addicts, we realized that we were not alone. Recovery is what happens in our meetings; each of our lives is at stake. We found that by putting recovery first, the Program works."²

WCNA-24 is a celebration of this recovery. It is a statement of our unity, that together we can do what we cannot do alone.

If the feelings of hope, happiness, joy, unity and freedom are felt throughout this weekend, then WCNA-24 will have been a success.

We are glad you are here. We want WCNA-24 to be an experience you will always remember. We thank you for coming. Your attendance alone carries the message.
"THE MESSAGE IS HOPE."

WELCOME!!

General Information

The Baltimore Convention Center is a non-smoking facility. Smoking is allowed only outside of the Convention Center or outside on the level 300 Terrace (where the Coffee House is located).

The boat cruises will be on the *Spirit of Baltimore* which is approximately a fifteen (15) minute walk from the Convention Center (see map for location).

All workshops will be in the Convention Center. The Saturday Main Meeting will be held in the Baltimore Arena beginning at 5:00 p.m. (see map for location).

All workshops and main speaker meetings are open meetings, open to addicts or those interested in finding out more about the Program of Narcotics Anonymous, but only addicts may share at workshops. Marathon meetings are closed meetings, open only to addicts or those who think they may be addicts.

The Coffee House in the Convention Center will be open daily with live entertainment nightly. A registration badge will be required to get into the Coffee House after 8 p.m. A registration badge will also be required to get into all dances and the play.

In line with the belief that the only way to keep what we have is by giving it away, we offer the opportunity for members to give a newcomer donation to facilitate the attendance of all newcomers (thirty days clean or less) at the World Convention.

Twelve Steps of Narcotics Anonymous

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

Twelve Traditions of Narcotics Anonymous

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose—to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

Press Statement

Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films. This is to protect the membership and the reputation of Narcotics Anonymous. We do not disclose last names, nor appear in the media as members of Narcotics Anonymous. No individual inside or outside the fellowship represents Narcotics Anonymous. If you are approached by members of the press, please contact Convention Information. They will be more than willing to assist you.

Clarity Statement

We are presented with a dilemma when NA members identify themselves as addicts and alcoholics or talk about "living clean and sober" the clarity of the NA message is blurred. To speak in this manner suggests that there are two diseases, that one drug is somehow separate from the rest requiring special recognition. Narcotics Anonymous makes no distinction between drugs. Our identification as ADDICTS is all inclusive allowing us to concentrate on our similarities, not our differences.

Responsibility Statement

Please keep in mind that your conduct is a reflection on NA. If you are unable to conduct yourself in a responsible manner, you will be asked to leave.

Shirts and shoes must be worn in all hallways and public areas at all times.

Please keep in mind not everyone stays up late nor all night. We need to have peace and quiet in the hallways between the hours of 11:00 pm and 8:00 am. Please keep the noise level in the rooms to a minimum. The Committee has provided hospitality suites for the convenience of group gatherings around the clock.

Why Are We Here?

"... We reached a point in our lives where we felt like a lost cause. We had little worth to family, friends or on the job. Many of us were unemployed and unemployable. Any form of success was frightening and unfamiliar. We didn't know what to do. As the feeling of self-loathing grew, we needed to use more and more to mask our feelings. We were sick and tired of pain and trouble. We were frightened and ran from the fear. No matter how far we ran, we always carried fear with us. We were hopeless, useless and lost. Failure had become our way of life and self-esteem was non-existent. Perhaps the most painful feeling of all was the desperation. Isolation and denial of our addiction kept us moving along this downhill path. Any hope of getting better disappeared. Helplessness, emptiness and fear became our way of life. We were complete failures. Personality change was what we really needed. Change from self-destructive patterns of life became necessary. When we lied, cheated or stole, we degraded ourselves in our own eyes. We had had enough of self-destruction. We experienced our powerlessness. When nothing relieved our paranoia and fear, we hit bottom and became ready to ask for help.

We were searching for an answer when we reached out and found Narcotics Anonymous. We came to our first N.A. meeting in defeat and didn't know what to expect. After sitting in a meeting, or several meetings, we began to feel that people cared and were willing to help. Although our minds told us that we would never make it, the people in the Fellowship gave us hope by insisting that we could recover. ..."¹

"... We realize that there is hope for us at last."²

Thank You

Thank you to all those people who have participated in some way to help make this convention a success. Your selfless service is a clear statement that *"Our gratitude speaks ... when we care and share the NA way."*

Finally, a very personal, heartfelt thanks goes out to each member of the Host Committee for their hours and hours of selfless service in the planning of WCNA-24.

An Invitation

You are invited to join

Just for Today

Tell yourself:

JUST FOR TODAY my thoughts will be on my recovery, living and enjoying life without the use of drugs.

JUST FOR TODAY I will have faith in someone in NA who believes in me and wants to help me in my recovery.

JUST FOR TODAY I will have a program. I will try to follow it to the best of my ability.

JUST FOR TODAY through NA I will try to get a better perspective on my life.

JUST FOR TODAY I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.
