Books and Booklets

Narcotics Anonymous Originally published in 1982, this publication is the Basic Text for recovery from addiction. In its pages, countless addicts share their experience, strength, and hope about the disease of addiction and recovery through the N.A. Program. It encompasses and expands on the chapters from the N.A. White Booklet, and includes an additional chapter, "More Will Be Revealed." The personal stories of many recovering addicts are also included in order to assist new members in finding identification and hope for a better life.

N.A. White Booklet, Newly Revised The N.A. White Booklet was the first piece of literature written for the Fellowship of Narcotics Anonymous. It contains a concise description of the N.A. Program including all of the information in pamphlets No. 1 and No. 6. The White Booklet is included in its entirety in the Basic Text, *Narcotics Anonymous*. Because the actual titles of the publications are the same, the original booklet is often referred to as the "White Booklet."

Am I an Addict? (I.P. #7) Forty-five questions are listed to assist individuals in making this personal decision. Item No. 3198 Each: 1-99 copies \$.15

Item No. 3144, Large Print Each: 1-99 copies \$.15

Just for Today (I.P. #8) There are six different ideas presented in this pamphlet that were originally published in the White Booklet. An ideal excerpt to be read on a daily basis, these six thoughts provide addicts with the perspective of clean living to face each new day. The remainder of the pamphlet develops the principle of living a day at a time and encourages addicts to trust in a Higher Power and work the N.A. Program on a daily basis.

Living the Program (I.P. #9) This pamphlet provides excellent guidelines for recovering addicts to keep a daily journal. It is based on the principles of daily living found in I.P. No. 8, *Just for Today*, and contains a set of questions to assist recovering addicts in doing the Tenth Step at the end of each day. It cautions readers not to get upset if they failed at something or felt they could have done better at specific tasks, and reminds them to live a day at a time, focusing on their growth and recovery.

Item No. 321X Each: 1-99 copies \$.15

Item No. 3160, Large Print Each: 1-99 copies \$.15

Sponsorship (I.P. #11) A vital tool for recovery, the subject of sponsorship has sparked many questions from new members and from those attempting sponsorship for the first time. Item No. 3236 Each: 1-99 copies \$.15

The Triangle of Self-Obsession (I.P. #12) "Resentment, anger, and fear make up the triangle of self-obsession." In this pamphlet, we see how these reactions to the past, present, and future are part of the disease of addiction. This pamphlet tells us that in order to recover from our addiction we need to begin taking responsibility for our own lives, our happiness, and our recovery.

Item No. 3244 Each: 1-99 copies \$.15

Youth and Recovery (I.P. #13) The message of this succinct pamphlet is that recovery is possible for all addicts, regardless of their ages or period of drug use. It emphasizes that all addicts eventually end up at the same point of total despair, but this is not necessary—we can begin recovering right away! Sections on hitting bottom, making a decision, peer pressure and family problems, living just for today, and a message of hope are included.

Item No. 3252 Each: 1-99 copies \$.15

THE TWELVE TRADITIONS OF NARCOTICS ANONYMOUS

1. Our common affairs should cover first personal recovery depends on N.A. itself.
2. For our group progress there is but one ultimate authority - having first as the very objective through its own group members' own initiative and mutual service, they do and grow.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or N.A. as a whole.
5. Each group has but one primary purpose - to carry the message to the addict who still suffers.
6. An N.A. group should never endorse, finance or lend the N.A. name to any related facility or outside enterprise, lest avoidance of money, property or prestige divert us from our primary purpose.
7. Every N.A. group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. N.A. as such, might never be organized, but we may create service boards or committees directly responsible to those they serve.
10. N.A. has no opinion on outside issues; hence the N.A. name might never be drawn into public controversy.
11. Our public relations policy is based on attraction; this, in substance, we need through individual responsibility of the level of personal conduct.
12. Anonymous in the spiritual sense, we are never to reveal our names.
