TWELVE TRADITIONS OF NARCOTICS ANONYMOUS

1. Common welfare should come first; personal recovery on NA unity.
2. The group purpose there is but one ultimate authority being God as He may express Himself in our group purpose. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using drugs.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. The primary purpose—to carry on the work that still suffers.

2. The responsibility for the recovery of the NA groups depends on the cooperation of the members. It is necessary to fulfill the role of the group. Active leadership is essential. Leadership qualities should be demonstrated by the members. The responsibility for the recovery of the group is the responsibility of the members. TWELVE TRADITIONS OF NARCOTICS ANONYMOUS

Common welfare should come first; personal recovery on NA unity.
The group purpose there is but one ultimate authority: God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
The only requirement for membership is a desire to stop using.
The group should be autonomous except in matters affecting the welfare of the group or NA as a whole.
The primary purpose—to carry the message—is still our primary purpose.

TWELVE CONCEPTS FOR NA SERVICE

1. To fulfill our purpose, we must have leadership. We must work together to create a structure which will be able to carry out our responsibility.
The responsibility for NA is shared by all members of the NA groups.
The NA groups delegate to the service committees the responsibility necessary to fulfill the responsibility of the group.
Active leadership is highly valued. Leadership qualities should be demonstrated by all members.
Trusted servants are essential to the success of the group.
Responsibility is assigned to the point of decision and action.

TWELVE STEPS OF NARCOTICS ANONYMOUS

1. We were powerless over our addiction, our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore our sanity.
3. We decided to turn our will and our lives over to the care of God as we understood Him.
4. We made a search for God with all our heart, mind and strength, and we sought for Him, and He answered our prayer.
5. We admitted our powerlessness and our wrongs.
6. We were ready to accept God as we were, and to turn our lives over to His care.
7. We made a list of our wrongs and brought them before God.
8. We prayed for God to remove our shortcomings.
9. We accepted God's will for us, and we tried to do His will in all our thoughts, words and actions.
10. We sought for God and His will in all our thoughts, words and actions.
11. We accepted the fact that God was always with us, and we tried to do His will in all our thoughts, words and actions.
12. We accepted the fact that God was always with us, and we tried to do His will in all our thoughts, words and actions.
