News letter subcommittee report

This subcommittee started its activity with 5000 issues of news letter which has been increased to 280000 issues this year. A few articles from different regions (voice of recovery, NA magazine, NA today and...) were translated and published in our Payame- Behboodi. Many thanks to De.J editor of NA WAY; we have learned a lot from her.

We have begun a project in which parts of 12 traditions and 12 concepts are being published in Payame Behboodi.

This news letter has also had a positive impact in prison and re-hab centers. Some of our members received the message of recovery by this news letter. We are receiving many letters from across the region throughout the year.

It is 9th anniversary of our news letter activities and 30 editions of which have been published. Our news letter is accessible through;
