To Whom It May Concern:

Thank you for your response to my letter. I was anxiously awaiting it and most happy to receive it.

I notice that the only meetings you sent are in the state of Pennsylvania. Don't you have any in New Jersey?

I did phone the Hot Line phone, but received no answer.

If you can I'd like the following information:

- #1 Literature
- #2 Closed meetings in N.J. or N.Y.
- #3 Advice in order to form a

group here.

I notice your format is taken from A.A. which I am an active member of. (I have been for 5 years)

(Cont #2)

A.G. Lawrence does not in general welcome the Poly. addict in this area.

Any suggestions you can give me will be greatly appreciated. Please send me your literature as I am certain this will give me further insight.

If it be necessary to form my own group, any advice or direction I'll be most grateful for. Thank you for your time and efforts.

Sincerely yours
 Donald J. P.
