The Area Service Committee Meeting (ASC)

1. The location will be the Messiah Lutheran Church.
2. ASC will meet from 7:00 p.m. until 9:00 p.m. and may be extended until 10:00 p.m. by majority vote. Area sub-committees will meet from 5:30 p.m. until 6:30 p.m. Both meetings will be held on the third Sunday of each month.
3. The name for the ASC will be Clean Acres.
4. After the Twelve Traditions are read, the chairperson will read, "Introduction to the Basic Text", from page XVI.
5. Only old business and new business will be read at the ASC meeting when reading minutes from the previous month.
6. Only one person from each group may give a report to the ASC.
7. Only Area-elected service representatives (i.e. RCM, Treasurer, Sub-committee Chairs, etc.) may give reports to the ASC from their respective sub-committees.
8. All Sub-committee chairs may have their co-chair give reports at Area in their absence.
9. Area recognizes any NA group that meets regularly at a specified time and place, provided that it follows the Twelve Steps and Twelve Traditions, has no outside affiliations and receives no outside support.
10. At each Area Service Committee meeting, during the introductory portion of said meeting, the Twelve Concepts of Narcotics Anonymous will be read.

Motions

1. All motions must be submitted in writing during Area Service Committee meeting new business, with a clear and concise intention included, to the Area Secretary except in the case of a policy changing motion, whereas the written motion must be submitted to the Area Secretary and the Policy Chair plus specify that the motion proposes a change to Area policy. All submitted motions and intents will be read aloud by Area Secretary during Area Service Committee new business prior to inclusion in the Area minutes, and the originator of said motion must be present at that time.
2. Motions that propose a change to Area policy require a two-thirds majority vote of all Group Service Representatives present at that Area Service Committee meeting; furthermore, all abstentions will be counted as a no vote towards the motion.
3. All motions, except policy changing proposals, will be considered a simple majority vote, in which the highest number of votes cast for any one candidate, issue, or item exceeds the second-highest number, wherein abstentions will stand separate and not be considered towards a pass or fail decision.

4. All motions brought forth from a group at the Area Service Committee meeting will be mandatorily referred back to all Clean Acres groups for their votes, then will be decided by a simple majority vote from the Group Service Representatives at the following Area Service Committee meeting. Furthermore, all non-policy changing motions made at an Area Service Committee meeting, not originating from a group, may be voted on at that meeting; however, the motion must be seconded by a Group Service Representative and no Group Service Representative requests that the motion to be taken back to their group.

5. After the Area Secretary reads aloud a motion during new business of the Area Service committee meeting, and said motion has been seconded or carries the backing of a group, the Area chairperson will ask if any Group Service Representative would like to object to consider the motion and must be seconded by another Group Service Representative to be heard on the floor. The Group Service Representative who raises the objection must then state their intention with either a one 'pro' or a one 'con' position. If an objection has been heard, then it will require a two-thirds vote of all Group Service Representatives present to carry the objection and send the motion back to the originator. Additionally, any Group Service Representative may request clarification of any motions from their originator following the reading of a motion, so long as the Area Chairperson has not moved on from said motion to new business. With all the above said, the Area Chairperson will ask twice for any objections to a motion and twice for any needed clarification for a motion before moving onto to additional new business. Only clarifications and qualifying objections to a motion will be heard during the Area Service committee new business, thus no open forum discussions or debates of any motion will be accepted at that time.

6. For Regional motions, if a majority of groups vote to abstain, then the abstention is carried to the Region as our Area conscience.

7. All motions voted on at the Area Service Committee meeting will be counted by the Area Chairperson and separately by the Area Co-chair to confirm accuracy of the votes. Once the number and type of votes reconcile between the two appointed to calculate a motion's vote, then the Area Chairperson will read aloud the total of yes, no, and abstention votes when notifying the Area Service Committee of a pass or fail on said motion. Moreover, the Area Secretary will record the vote counts and list them with the motion's status in the Area minutes.

Nominations and Elections

1. All nominations for Area level service positions must be sent back to groups for a vote.

2. Sub-committee co-chairpersons will step up into the position of chairperson when the chairperson's term is over.
3. All nominees must attend CAASC meeting to confirm their willingness to serve the Area. At such time, nominees will give their qualifications in both verbal and written form to be given to the Area secretary.
4. All Clean Acres Area officers' terms begin on January 1st, and end on December 31st of each calendar year, except the Convention Representative, whose term will run from April to April.
5. Nominations will be opened at the October Area meeting and closed at the November meeting if there are nominees. Elections will be held at the December meeting.
6. In the event of a vacancy occurring during an incumbent's term of office, nominations will be opened and elections held after nominations are closed to fill the position until the end date of that term.
