## Books and Booklets

**Narcotics Anonymous** Originally published in 1982, this publication is the Basic Text for recovery from addiction. In its pages, countless addicts share their experience, strength, and hope about the disease of addiction and recovery through the N.A. Program. It encompasses and expands on the chapters from the N.A. Little White Booklet, and includes an additional chapter, "More Will Be Revealed." The personal stories of many recovering addicts are also included in order to assist new members in finding identification and hope for a better life.

**Item No. 2023** **Each: \$8.00**

**N.A. White Booklet, Newly Revised** The N.A. White Booklet was the first piece of literature written for the Fellowship of Narcotics Anonymous. It contains a concise description of the N.A. Program including all of the information in pamphlets No. 1 and No. 6. The White Booklet is included in its entirety in the Basic Text, *Narcotics Anonymous*. Because the actual titles of the publications are the same, the original booklet is fondly referred to as the "Little White Booklet."

**Item No. 8392** **Each: 1-99 copies \$5.50**  
**over 100 \$4.00**

**Item No. 8910, Large Print** **Each: 1-99 copies \$.75**  
**over 100 \$.65**

**N.A. Group Starter Kit (I.P. #18)** This little booklet provides practical information on how to start a Narcotics Anonymous group. Kits are available free of charge from the World Service Office to any N.A. member desiring to start a new N.A. group. In addition to I.P. No. 18, Little White Booklets and other pamphlets are included to assist the new group in getting started. The booklet includes a Group Registration Form and Group Treasurer's Record that can be removed and used by the group's trusted servants.

**Item No. 3120** **Each: \$.40**

## Pamphlets on N.A. Recovery

*Any combination of 100 or more informational Pamphlets entitles the buyer to a discounted price of \$.13 each.*

**Who, What, How and Why (I.P. #1)** This informational pamphlet excerpts important information from the first eight pages of the Little White Booklet. These sections include "Who Is an Addict?" "What Is the Narcotics Anonymous Program?" "Why Are We Here?" "How It Works" and "The Twelve Traditions of Narcotics Anonymous." This basic information about the N.A. Program serves as an effective introduction to professionals seeking information about N.A. and to addicts seeking recovery through the Narcotics Anonymous Program.

**Item No. 3147** **Each: 1-99 copies \$.15**

**The Group (I.P. #2)** Originally approved in 1976, and updated in 1986, this pamphlet is an excerpt from an early service manual. Although the service manual has been updated and revised, *The Group* contains pertinent information that has proved its value over the years. This pamphlet includes sections on what it means to be an N.A. member, how the group takes care of its rent and other obligations, electing trusted servants, and the primary purpose of an N.A. group.

**Item No. 3155** **Each: 1-99 copies \$.15**

**Another Look (I.P. #5)** This pamphlet takes another look at addiction, including some "old ideas" frequently used by addicts to rationalize using drugs. In an attempt to clarify what addiction is, it addresses specifically what addiction is *not*: Addiction Is Not Freedom; Addiction Is Not Personal Growth; Addiction Is Not Goodwill;

I.P. No's. 3, 4, 10, 15 and 17 have been discontinued and are not available at this time.

*For the Newcomer* (I.P. #16) This informational pamphlet describes the disease of addiction that is shared by all members of Narcotics Anonymous. It sets forth the Twelve Steps, the set of blueprints for recovery. Information about recognizing and experiencing feelings is included, as well as suggestions to utilize a sponsor and clean friends in the N.A. Fellowship. All of these tools help addicts to begin and maintain their recovery.

**Item No. 3279** Each: 1-99 copies \$.15

*Self Acceptance* (I.P. #19) The first half of this pamphlet, "The Problem," discusses aspects of an unmanageable life including not accepting ourselves or others. The second half of the pamphlet, "The Twelve Steps Are the Solution," outlines the process that allows recovering addicts to apply the Twelve Steps in every area of their lives in order to gain acceptance of themselves and others.

**Item No. 3287** Each: 1-99 copies \$.15

*Hospitals, Institutions and the N.A. Member* (I.P. #20) A brief introduction to N.A. Hospitals and Institutions (H&I) work, this pamphlet encourages N.A. members to avail themselves of the opportunity to serve. Three personal experiences are included that illustrate the fact that even though H&I work may sometimes seem intimidating, the results consistently turn out to be worth the effort.

**Item No. 3295** Each: 1-99 copies \$.15
