Dear Bo:

It was nice talking to you the other day, and thanks a lot for all the information. Enclosed is \$30.00 for a set of the WSC minutes.

I haven't been able to contact anybody in Piedmont yet, but if you talk to Paul B. or Danny, please give my name and number to them. I'd be interested in talking to them about what their lit. committee is working on.

I hope the interest will resume in the Marietta Lit. Committee on the Meditation Guide. It sounded like a worthwhile project, and I'd like to see it materialize. If there's anything I can do to aid the effort, be sure to let me know.

I'm also receptive to any ideas you might have regarding other areas the lit. com. should explore this year. This includes policy and procedures for us, as well as specific pamphlets or other lit. materials you'd like to see generated.

I'll be getting a progress report out to you in a few weeks. Thanks for your hard work and dedication.

Love,

Ginni
