

Dear Bo,

Thanks very much for sending the material on the daily meditation guide. I think I will forward it on to the Mid-Coast RSC-Lit. Com., so they can consolidate their efforts with what you've done so far. Maybe sending this will inspire them to write some more. As far as the Lit. conference goes, the group conscience I took over the phone came out in favor of Philadelphia. I hope you will be able to come. The dates will be 11/5 - 11/11.

As far as supporting world lit: I'd like to get some written input on the Twelve Steps /Traditions, and also those three questions I asked about Our Book.

Also, Bo, thanks for getting the release from the Rainbow Connection. I really appreciate all your help and correspondence. Oh, we could also use a donation if you run across some extra bucks. Take care. Love,
Cinni
