A G E N D A

- I. UNITY -- Billie - San Jose N.A.
- II. RELATING TO N.A. and A.A.: N.A. is an outside issue to AA and vice versa. We must get it together.
- III. NEW LITERATURE- This Is N.A. and Twelve Questions.
- IV. LIST OF NAMES OF TRUSTEES:  
  
Questions re: Trustees, how are they appointed, who appoints them. Do they have By-Laws?  
How many of those Trustees are affiliated with Recovery Houses?
- V. Re: Literature---" GLOSSARY" (N.A. in the drug education business????)
- VI. N.A.- Bay area in decision-making policies why aren't we consulted: what brought this up was the news of another conference, in much the same way as the last one, which we feel if it were held in a park gym, or similar low-price facility, we could make money for N.A. instead of Country Clubs. Even tho' the conference is not in our region, what about N.A. as a whole. It makes us feel left out, even if you did not agree with us, you could inform us before the final decisions are made.

Agenda made up by sylvia from notes taken at our picnic last month.
