RE: The Fellowship Intellectual Property Trust

The WSO Board of Directors wishes to express its sincere gratitude to Stu T. and the members of his working group for their hard work and commitment in preparation of the Fellowship Intellectual Property Trust. Your efforts will significantly improve the Fellowship's ability to administer and protect our literature and other intellectual properties.

At a combined meeting of the Board of Directors, Board of Trustees and WSC Administration on June 8, 1991, it was determined that the WSC, as Trustor, is the more appropriate World Service body to finalize the Trust document and submit it to the Fellowship for approval. The Board of Directors, therefore, has turned the responsibility for the Trust document over to the WSC Admin.

This memo will serve as notice that the conference call scheduled for June 28, 1991 will not be held, due to lack of available funds.

Again, thank you all for your very important contributions. God bless you in your efforts for the Fellowship.

Yours in fellowship,

Bob McD.

WSO Board of Directors
