

July 5, 1992

Dear Rebecca,

Hi. I got your letter. Thanks. It was here when we got back from our vacation.

We went to Cedar Point. It was fun. I rode three roller coasters. I won some games and two stuffed animals. Amanda and I went on the water slides.

In Michigan we went fishing. I caught five fish. I played with my cousin Jenny from Iowa. My dad went to the car races. We played miniature golf. It was a long drive.

We went to Canada. I got some Canadian money. We went to a island and park called Boblo. I rode the indoor roller coaster and the water rides.

I went swimming on the 4th and Dad had fireworks. Today I am going to go swimming again with my friend Stephanie.

Tommorrow I start camp. The camp is called Windmill. I will ride horses and play sports and games and go swimming. My friend Natalie goes to the same camp. She wants me to go to the ocean with her next week. I want to go and will be gone 1 week in Maryland.

My dad says he is coming camping with your dad and mom next week. He is bring our friend Kathy with him.

I am going camping with dad August 20,21 & 22 in the Poconos for a NA program at Rickets Glenn. Dad says there was a bear there last year. It scared Kathy. Maybe you could come camping?

How are your kittens?

We have a picture together. My dad will give it to you when he comes to Ohio. I made a copy to send by fax.

Write again soon. I like you.

Rachel
