Re: World Service Organization, Inc. v. David Moorhead
No. 90-7631

Dear Mr. Emmons,

I am in receipt of your letter of October 27 suggesting that my October 14 Order did not reflect the discussion at the status conference held on October 1.

The Order dismissed defendant David Moorhead's motion to enforce or vacate this court's January 4, 1991 Order as moot in light of his death and gave you until February 15, 1993 to file a motion for substitution. I believe I made plain at the status conference that this was my view of the matter. I see no grounds for changing the October 14 Order.

Should you still object, you may make a motion if you choose.

Sincerely,

L. H. Pollak
