Jim P San Francisco	Bud K	San Francisco

Narcotics Anonymous Christmas Party

The flyers for the Christmas party were passed out. Dennis stressed that this is a regional party and everyone from Northern California are welcome to involve themselves. The party will be at the Apostleship of the Sea on the 15th of December.

Meeting Directories

Amy in Santa Rosa has the meeting lists ready and is waiting for the H and I Committee's list to be forwarded to her. Lucille volunteered to ask H and I Committee to call Amy with their list. Amy has been quoted a price of 4 cents per directory for printing.

Newsletter

Bud asked everyone to consider a newsletter for Northern California that would include announcements of meetings, history of various meetings, minutes of the committees that meet, personal stories and so forth.

Traditions

Dennis relayed the request of Amy from Santa Rosa that the Traditions be followed at all meetings regarding the announcements of non-NA events. Any announcements that are not NA related should be made after the Lord's Prayer. Dennis remarked that we all need to be careful in finding the fine line between NA activity and other activity which is related.

Other

Lucille related that she talked to Chuck S from Southern California in San Jose last week. He said that the World Directories are ready and available for \$2.00 from World Services. Also, the 800 information number is being used in Southern California and could be used in Northern California. Chuck says that there are over 90 meetings each week in Southern California. Chuck also stressed the need for donations at each meeting to defray the expenses of the program.
