1. The History Committee of the NA History Text dedicates its work to the NA member as a labor of LOVE.
2. Our intent is for this text to inform all members interested in learning about the NA fellowship.
3. The NA History Text, including all drafts, are not being written as a fund generating venture.
4. The NA History Text is not a work for hire, as we are receiving no outside sources of income, direction, or support other than that of the authors ourselves.
5. The authors retain all legal rights of ownership and the freedom to assign this ownership to the NA fellowship exclusive of all B & C's members.
6. The authors make this work available to any member who wants and distribute this material and will make no claims against minor distribution provided it's not for profit (This means WSO Inc.)

In Loving Service,

History Committee
