WHY REGISTER?

Often when attending N.A. Conventions members ask "Why should I register?". They do not understand what experienced members understand -- the convention incurs a great deal of expense. These expenses include the leasing of space in the hotel, the costs of printing programs, flyers, tickets and other items in the registration packages. Other expenses are related to planning, such as rental of meeting spaces, telephone expense, copying and general supplies. The monies collected also help support the Bucks County Area as it seeks to carry the message to addicts still suffering through the Phone Line and Hospitals and Institutions Subcommittees. Some of the money collected also helps future conventions get underway.

Please be aware as a member of Narcotics Anonymous, our seventh tradition states that we are fully self supporting. As a member we hope you will feel privileged to register. Help us carry the message,,, Register!!!
