(HELP) Yes you! Old members and new. Bucks County in the last two years has gone from 15 meetings down to 7, maybe 6. This is a serious problem for N.A. in Bucks County.

If something is still missing in your program, then taking a simple committment may be the answer!

We need people, you, to do little tasks like making coffee and welcoming the newcomer. We need Secretary's, Treasures, and Group Representatives. We need people to chair meetings, take hotline calls, and hang posters.

Nothing ensures recovery better than Service to our fellow addicts. By taking just one committment you can make all the difference. Service has helped many people strengthen their own program as well as the fellowship.

"QUOTE FROM THE GROUP"

The benefits of membership are clear to us all; a drug-free life, the chance to grow, friendship, and freedom. However, membership is not without its responsibilities. It is the responsibility of each member to maintain his or her personal sobriety; to share freely his experience, strength, and hope with the addict who still suffers; and to work to ensure that that which was given freely to him remains available to the newcomer.
