AREA MOTIONS

Last month's motion passed-"that our area sponsor a 6 week workshop on the guide to service..."

New motion to go back to groups from the Footworks group-Motion; To abolish the position of area co-treasurer. We can vote the new treasurer 3 months before the existing treasurer's term ends. This 3 month period can be a transition period.

Intent: There is no reason to have a co-treasurer. The area co-chair can fill any emergency situations.
