A.S.R.: **Question** - Do we as an Area have a copy of Regional Policy?

Regional nominations - Co-Secretary for Region?
Nominated and elected - Co-Treasurer

Motions:

1. Whether to continue to participate in the Multi-Regional Weekend: Passed

2. To get back $800.00 being held by the New York region from cancelled multi-regional weekend: Passed

3. That phone line sub-committee hold meetings twice a month until regional phone line is running effectively.
   Intent: To improve effective communication and forward in a timely fashion: Passed

4. That motion to RSC be numbered and timed.
   Intent: That a motion not be unfairly disposed of in favor of another motion submitted after back to Areas.

5. An apology to the R.S.R. from the convention Committee added to the minutes because of slanderous comments and actions by members of that committee against the R.S.R. (R.S.R. desires not to be involved with convention at all): Passed

Point of interest: This area desperately needs a convention representative and to become involved in Regional Activities. We have a number of slots allocated for marathons and workshops, speakers and chairpersons, We have no representation on many of the Regions sub-committee's or convention committees. Where is our gratitude? If we are not involved how can we effectively carry the message to the addict who still suffers?
