GROUP REPORTS:

Unity: Finances were reported for the dances at 22nd and Chestnut. Results seem to indicate that the dances are at the very least not making any money, and could be losing money. On Sept 17th they are having a Spaghetti dinner Marathon. On October 16th a Learning Day will be held at Roxborough Hospital.

ABC: The RSO office is moving to 7215 Rising Sun Ave. They hired an accountant to review their QuickBooks, which is still in process. They transferred the first sales tax to the State. The receipts coming in for the dances are incomplete.

Meeting List: From April to July, 21 new meetings were added and 8 were removed. I gave Gerald revisions to Clean Acres meeting list which involved adding one meeting, removing redundancies, change of addresses and meetings that meet more than once per week.

Website: A PayPal account was set up for Project Payoff to reduce the literature debt. One can now make contributions on the naworks.org site.

Lit Review: Would like to come to your home group event. Contact for the chance.

H&I: They are in the process of restructuring the Mobile Unit in order to make it fully functional.

Convention: Still looking for logo submissions for GPRCNA XXVI. The theme is "Freedom Without Limits."

NOMINATIONS:

Ehab was nominated for PI Chair. RCMs passed vote and Ehab is new PI Chair.

Nazreen resigned her position as RSC secretary. Joanna was nominated for this position and a vote was passed. Joanna is the new RSC Secretary.

MOTIONS:

A motion to discontinue having dances at 22nd and Chestnut was voted on and passed.

A motion brought up to be brought back to our Areas:

Motion to combine positions of Regional Treasurer and ABC Treasurer. This is because the Regional Treasurer is stepping down and the ABC Treasurer is willing to fill this position. This would also reduce the number of people who handle the money to one.

Open Forum:

Discussed the idea of paying Vivian D's parking tickets.

Discussed the idea of how to use the 22nd and Chestnut venue for three more weeks until the contract runs out. It was agreed upon to have three separate events there in the even that we couldn't get a refund on rent. It did turn out that the venue reimbursed us for the last two weeks and nothing was held there last Friday.
