#5 MOTION FROM AREA: That there be no more Area Conventions within the GPR after 1992.

INTENT: To stay within the 1st Tradition, "To maintain unity within NA, it is imperative that the groups remain stable, or the entire fellowship perishes and the individual dies." To stay within the 4th Tradition, "Each group does have complete freedom, except when their actions effect other groups or NA as a whole. Group autonomy has been used to justify violation of the Traditions." To stay within the 5th Tradition, "If we were a social club we could find many friends and lovers, if we specialized in education, we'd end up with many smart addicts, if our specialty was Medical help, many would get healthy, if our group purpose were anything other than to carry the message, many would die and few would find recovery.

To stay within the 6th Tradition, "Lest problems of money, property, or prestige divert us from our primary purpose." These problems often become obsessions and shut us off from our spiritual aim.
