H&I Secretary

The meeting was opened at 7:00 with a moment of silence followed by the serenity prayer.

Old business: The minutes from the last meeting were read and a motion was made to accept them. MSP

The co-chair is still working on the format and will get them to the chairpeople as soon as they are done.

New business: A question was asked about the H&I sign up sheets and if they could be made available to each chairperson.

A suggestion was made to hand out the commitments at area service. A discussion was held and it was suggested that the commitments not taken at the sub-committee be taken to area and turned over to the GSR'S.

A discussion was held on changing the length of the commitments from three months to one month. We discussed the pros and cons of this.

Motion 1: To allow the people taking each commitment to decide whether it will be for one month or three months. MSP

A discussion was held on the panel system. The chairperson asked that each person holding a commitment give a oral or written report on the status of the commitment. We also discussed screening the people doing each commitment to ensure that message of recovery in NA is being presented. The role of H&I in institutions and the do's and dont's of H&I presentations.

Motion 2: To include the do's and dont's from the H&I handbook with the format. MSP

A question was asked about why the ID photos keep getting lost at the prison.

A discussion was held on having a learning day on what H&I is and how to get involved. A ad-hoc committee formed to start working on a date, time, place and agenda. A motion was made for Martin K. to chair the ad-hoc committee. A vote was taken and Martin accepted. Several people volunteered to serve on the ad-hoc committee and were accepted.

A suggestion was made to get a map of the V.A. to make finding the buildings where the commitments are easier.

There being no more new business a motion was made to close. MSP
