Why Do We Ask You To Register?

You must register and wear your badge to attend all functions at the convention. It is important that you register because the money that is collected from registration is used to pay for convention related expenses. We believe that once this is understood, the purpose of registration should be clear.

Pre-registration affords members an opportunity to purchase registration packages and tickets for the convention functions at a discounted price while allowing us to collect funds to meet the expenses of hosting a convention. As a member, we hope that you will feel privileged to register
