NEW HORIZONS II - Doing well

REGIONAL REPORT

Dale was not present, so Jim H. gave a report of what occurred while he was there.
Also brought up responsibility of A.S.R.

Three areas were represented, Phila. not one of them. Kathy and Al voted for Phila.
Dutch and John gave report on California trip. They both resigned as Dutch is now a
trustee and John is World Policy Chairperson. They are developing a new policy manual
as there is no existing service manual. John needs people who are interested and have
knowledge of the Traditions to be on his committee.

Region now needs new delegate and alternate delegate - requirement - 5 years sobriety.

California said to specify what edition of the book you want when you order or you'll
receive the first edition automatically. What happened with the first edition was
that the Chairman of Trustees, Jim K., didn't approve of 2 lines in the Traditions,
so he deleted them and then gave to Chuch for printing, telling him to print it as is.
Jim K. was sent a letter thanking him for his dedicated service.

By the old manual, the outgoing Regional Service Rep. nominated delegates, but that
is not so anymore. Anyone can run or be nominated as long as they have the require-
ments.

Next Regional Service is on the 2nd Sunday in September at 22nd and Chestnut Sts.
Spread message that Regional needs a new delegate and alt. delegate.

* Dave S. was speaking with 2 people in N.A. in London and they sent their love!

HOTLINE

Needs 2 people to fill positions: 1) 1 week a month to pick up and distribute calls
2) 1 weekend a month to pick up and distribute calls.

Region starting a new 1-800 number possibly. G. S. R.'s take to groups and VOTE ON THIS
AT BUSINESS MEETINGS! There are 3 options: 1) Keep system we have (Hotline committee
likes this option the best)
2) Switch to A.A.'s Answering service which
would be \$40.00 per month cheaper, but

it would mean changing the number (and that would involve changing the hotline posters, etc)

3) Change to 1-800 number. Committee is split - Some say its bad because people will feel as if they are calling all over the country when they see the 1-800 number and that no one will be close to them. The other half feels as if we will be reaching more people and that more people will hear about us.

LITERATURE REPORT

Kathy D. sent literature over with Joe A. and Kevin W. Said she was sorry but didn't have enough money to buy enough literature.

LITERATURE REVIEW

They are going to be having a lot of fund-raisers. Labor Day Picnic - Tyler State Park - Monday, September 5, 1983, \$3.00. 11:00 A.M. to ? The fund-raisers are for the 8WLC planned for November. It needs a lot of support!

PUBLIC INFORMATION

Scott paid off mailbox which was one year overdue - \$26.00. Was reimbursed this amount. Scott was not present, Jim H. gave report. No answer from WWDB. Al is still making tapes for T.V.

PRISONS & INSTITUTIONS

Jerry M. was not present. There is talk of forming a P & I committee.

OLD BUSINESS - NONE!

NEW BUSINESS

Delayed Area Services meeting was due to Al locking his keys in his car, which then went to the shop, and there was no way for Al to get the keys out. This week, most of the people who showed up only did so because they assumed there was a meeting or because they heard through the "grapevine" that Area Services was this week. No one was actually called.

As it was, the Chairperson was sick and the Co-chairman could not be reached. Tom C. chaired the meeting.

South Phila. Group moved to Ellsworth and Carlisle PERMANENTLY!

We voted Mary M. in as Alt. Delegate, as Marvin resigned. (actually, this should not have taken place as there was not a majority of groups represented at Area Services)

Entertainment committee was dropped.

Was mentioned that A.S.R. has been irresponsible. She has not been to area services in two months and she was also absent from Regional services. Was stated that she will be asked if she wishes to continue in this position or resign.
