COMMITTEE REPORTS

Literature- \$602.00 and literature \$10.00 given to N.A. Group

Hospitals & Institutions- Nothing is happening yet with the prison commitments. My prison will be starting up in May. I've called for an H&I Meeting at my house three times last month. I did not get any support. I am still asking for help with this committee. I am having another H&I meeting at my house April 22. Please come; it's very important. After then I will have it on every other Saturday at either 3:00 or 4:00. Please come - my number is 426-7074, address - 2627 Edgemont Street. Thank you.

Public Information - No new developments for this month. Posters are being printed for hotline number. I do not know the exact price, but it's somewhere around \$50.00. Next month I will bring receipt for posters.

Hotline Report - 1-800-232-HOPE has been disconnected. Hotline Treasurer out in Harrisburg never paid any bills and we now owe a total of \$2,800.00, of which our area is responsible for 75%. Hopefully, we will have copies of all bills next meeting and a better understanding of what is going on. We have already raised \$571.00 from bowling dance and 50/50 drawing at the Convention. We have set up a new number: 934-3944 and its presently working very well. The service is not as direct as the old one, but at least it is centralized in Philadelphia and the final result is that the addict is being reached.

Regional Report - Tom was given vote of confidence as new Convention Committee chairman. Joe F. was voted alternate RSR from Philadelphia region. Regional meeting is tentatively set for May 13th, Phila.? The Regional meeting needs a lot of support. Region needs new treasurer and area needs new alternate. Voted unanimously from all 4 areas: Only RSR or Alternate RSR should vote at World level and not sub-committee chairpeople. Also: Only ASR's have vote at Regional level for Philadelphia region. Both votes came back from fellowship.

Cleansheet - We have anew chairperson, Bill B. We have decided to put cleansheet out every two months instead of every month. That way the quality will be better, we'll have more input, and we won't need as much money every month.

OLD BUSINESS-

Discussion on meeting lists, what they are to include. Tom C. is getting lists run off.

Tom M. decided to keep his position as Treasurer until commitment is up
