COMMITTEE REPORTS

LITERATURE- \$617 cash + literature. Meeting lists will be out next month.

HOSPITALS & INSTITUTIONS All commitments are doing well as far as I know. I need speakers for St. Mary's Detox. Tuesday nights at 8 PM, 2nd floor Neuman Center. Call me if interested. Episcopal Hospital is doing well. Prison Meetings are having problems. A lot of people have been turned down to speak or chair there. I need help with these commitments. H & I NEEDS A LOT OF HELP. I am still having meetings at my house every Monday night at 8 PM. My number is 426-7074 (Diane) address: 2627 Edgemont Street.

PUBLIC INFORMATION I have a committee. We have a mailing list which consists of about 40 organizations within the Philadelphia area. We have a general form letter, a public service announcement and Public Information letterhead. "People Are Talking" has our hotline number. The PSA appeared in 5 local newspapers in June. If you are interested in helping to get word of this fellowship out to people who need it and want to get involved, call Mike or Loretta at 743-8763. Meetings are Monday nights at 8 PM at 4782 Richmond Street, 3rd floor.

HOTLINE REPORT Hotline is doing well. We will be holding meetings to form teams every 6 to 8 weeks. Six months clean time to be on a team. Hotline structure is as follows: Chairperson, Kip T.; Area Rep, Jay C.; Treasurer, Harry G., Secretary, John C. Does Area approve of this structure? (We took a vote and it was passed unanimously to accept this structure) Hotline bill was switched to NA P.O. Box. To get involved, call Jay at 671-1634 or Harry at 698-9706.

CLEANSHEET - Cleansheet is doing horribly. If we don't have support, we are going to fold. I was approached by a member of the Tri-County Area regarding distribution. The Cleansheet will be distributed at their cost. I'm going to approach the region to see if we can go regional. If we can, hopefully we will get more support. We need a review committee. Call Bill B. at 673-2637.

LITERATURE REVIEW - We had a committee meeting today. We reviewed the new, unapproved 12 & 12 Book. Input was given to me about this matter. All additions, corrections and suggestions will be forwarded to the World Literature Committee chairperson immediately. The next meeting will cover the same book but will be longer in length and detail. Overall, the committee is making progress and striving toward our objectives for the rest of the year. The chairperson would like to extend his personal gratitude for the much-improved attendance and participation in literature review. Thanks.

OLD BUSINESS-

We voted in Peggy M. as the new ASR alternate.
