## SUBCOMMITTEE REPORTS:

Helpline Report:

Helpline is doing well. We have a few more new members.  
 We can always use the support. We had a few problems with the  
 operators at Ansercom, but they were resolved. We would like  
 to form a sub-committee. We would like to have groups elect a  
 representative to attend the helpline meeting, the 2nd Sunday  
 of the month at 6pm before the ASC meeting. Thank You.

In Loving Service,

Jaime

Chair Jaime 425-2939

Co-Chair Bruce 739-6334

## SUBCOMMITTEE REPORTS: (continued)

Public Information:

There will be new hotline number poster's printed when the new phonenumber system goes into effect so we need help distributing them also we need people to give presentations. Clean time requirement is one year. The Regional P.I. committee is currently working on getting public service announcements aired on TV and Radio. We are looking for support and suggestions.

In Loving Service,  
Chair, Glenn V. 739-9954  
Co-Chair Jim S. 423-2168

H & I Report:

We had a great turn out once again and filled all of our regular commitments except one male only facility in which our panel coordinator will get coverage for. We're still having a problem filling two prison commitments since you have to be on the prison memo to fill the commitment. There was a good turn out at the prison orientation yet those members don't show up at the sub-committee meeting. If your on the prison memo, please show up and get involved. We'd like to thank NA Works and the Gay & Lesbian Group of NA for their donation of basic text. We have been asked to cover the meeting at St. Joseph Hospital detox which was formally held by a group and we have accepted. We'd like to thank the Region for the \$50 literature donation. The support at our Learning Day was minimal, but went real well. We are in need of support and ask those members willing to carry the message to the addict who still suffers to join us on the 2nd. Sunday of the month at Lorreto and Napfle sts.

In Loving Service,  
Sheila R.

Unity:

The Inner-City Area picnic committee would like to thank the Phila. Area for their contribution to the Unity Day picnic. It is our hope that in the future, this area will take a more active part in all phases of planning and development through the area Unity committee.

In loving service,  
 Inner-City Picnic  
 Committee.
