How to run

Ideas for chapters or other Publications

1. How to start a meeting
2. To make the effort when there's no reason to make the effort
3. The newcomer is the most important person.

Chapter VII

The N.A. Group

A Group - what is necessary to start a group —, how to start a group.
 where does the groups once started fit into N.A. as a whole

starting:
 1. find another person!
 1. contact WSO
 2. get information
 3. find a place

⊖ — group must practice the 12 steps and 12 traditions in order to be called an N.A. GROUP
 4. Contact law enforcement

why
 → original concept of N.A.

why form a group — to help other people
 & maintain
 we can only
